

ONDA S | Pendant Light

Swerve TO LIGHT

The ONDA S™ Pendant Light

The **ONDA S™** tackles the challenges of spaces that thrive on length and spaciousness with ease! This fixture was perfectly made to swerve into the areas that have elongated corridors and open areas that are looking for lighting that disperses light perfectly and brings a touch of creativity and class that is unparalleled, stunning, and utterly jaw-dropping!!

The **ONDA S™** is incredibly stylish and efficient for lighting long spaces! Create an experience with lighting that is unmatched! Key features are as follows:

- The **ONDA S™** just looks amazing. When looking to make a practical, impactful impression in a large space, this fixture does NOT disappoint--it's breathtaking beauty and style increases the perceived value of a location dramatically.
- Available in 8", 16", 24", and 36" as well as custom lengths. The ability to really push the limits of your imagination is something that we anticipated with the popularity of the **ONDA S™** and we aim to deliver!
- Finally, last but not least, the **ONDA S™** is a powerful lighting fixture that takes a lot into consideration as it comes packed with emergency options, an energy saving LED driver, a surge suppressor, 1,057 lumens per foot, beautiful craftsmanship and design, as well as industry-best premium finishes.

"The ONDA S™ swerves and swivels into locations in ways that take beauty and design to all new levels of lighting and interior design aesthetics."
