

FLY | Linear Pendant

Elevated AMBIANCE

The FLY™ Linear Light

The **FLY™** linear pendant light is exquisite in its simple, rectangular form and its sharp, clean, uncompromising aesthetic. This lighting fixture was made to equip you with the means to light your environment with the picture perfect lighting that it needs to be perceived as uplifting and peaceful. Lighting perfection as it flies above it all!

The **FLY™** is the perfect lighting fixture to add to your project as it is simple, versatile, and aesthetically modern. Some key features are as follows:

- Made perfect as-is for both the corporate environment and the uber-modern design sensibilities of interior spaces, the **FLY™** pendant light definitely shows out exceedingly well almost everywhere!
- With both standard and T-bar mounting, this fixture is primed to work in various spaces and has found itself as one of our more popular linear light choices for projects looking elevate a sophisticated and modern motif.
- Varying sizing options have made the **FLY™** extremely popular with architects and lighting designers that require a fixture that can be used in multiple applications within a space repeatedly, creatively, and affordably. A win-win situation for any lighting aficionado.

Modern | Nature Inspired | Open Concept Office

"Adding a legitimate touch of illumination to an already engaging and elevated environment is what the **FLY™** does best."
