

Stellar RADIANCE

The EBB™ Luminaire

The **EBB™** is aptly named as it continues our aspirations to allow lighting professionals to continue ebbing away at poorly lit environments wherever they may be found! A classic design and a sturdy, dependable build to go along with reliable radiance has made the **EBB™** a top-choice for specifiers, lighting aficionados, and architects without fail.

The **EBB™** is a versatile combination of classic style sensibilities couple with modern flare and power. Some key features of the **EBB™** are:

- The **EBB™** comes in a perfect 15.5" diameter size that hits that sweet spot for lighting both small areas to large spaces in combination with using an array of this fixture--simply put, it's exactly what you need to bring your space alive!
- As always, the **EBB™** brings TMS Lighting's wonderful standard and premium finishes to life in this luminaire that are destined to maintain its vibrant and **impactful** color for years to come!
- The **EBB™** is amongst our *many* versatile indoor and outdoor lighting fixtures. This means that you can expect this wonderful pendant light to be used in making a significant upgrade in both outdoor spaces as well as indoor spaces that both require amazing lighting--EXACTLY what the **EBB™** is known for.

Office Tower | Office | Modern

"The **EBB™** is the epitome of combining classic style with modern aesthetics--PERFECTLY. Great radiance should be versatile."
