

FLIRE DIRECT INDIRECT

Linear

Lighting LUXURIOUSLY

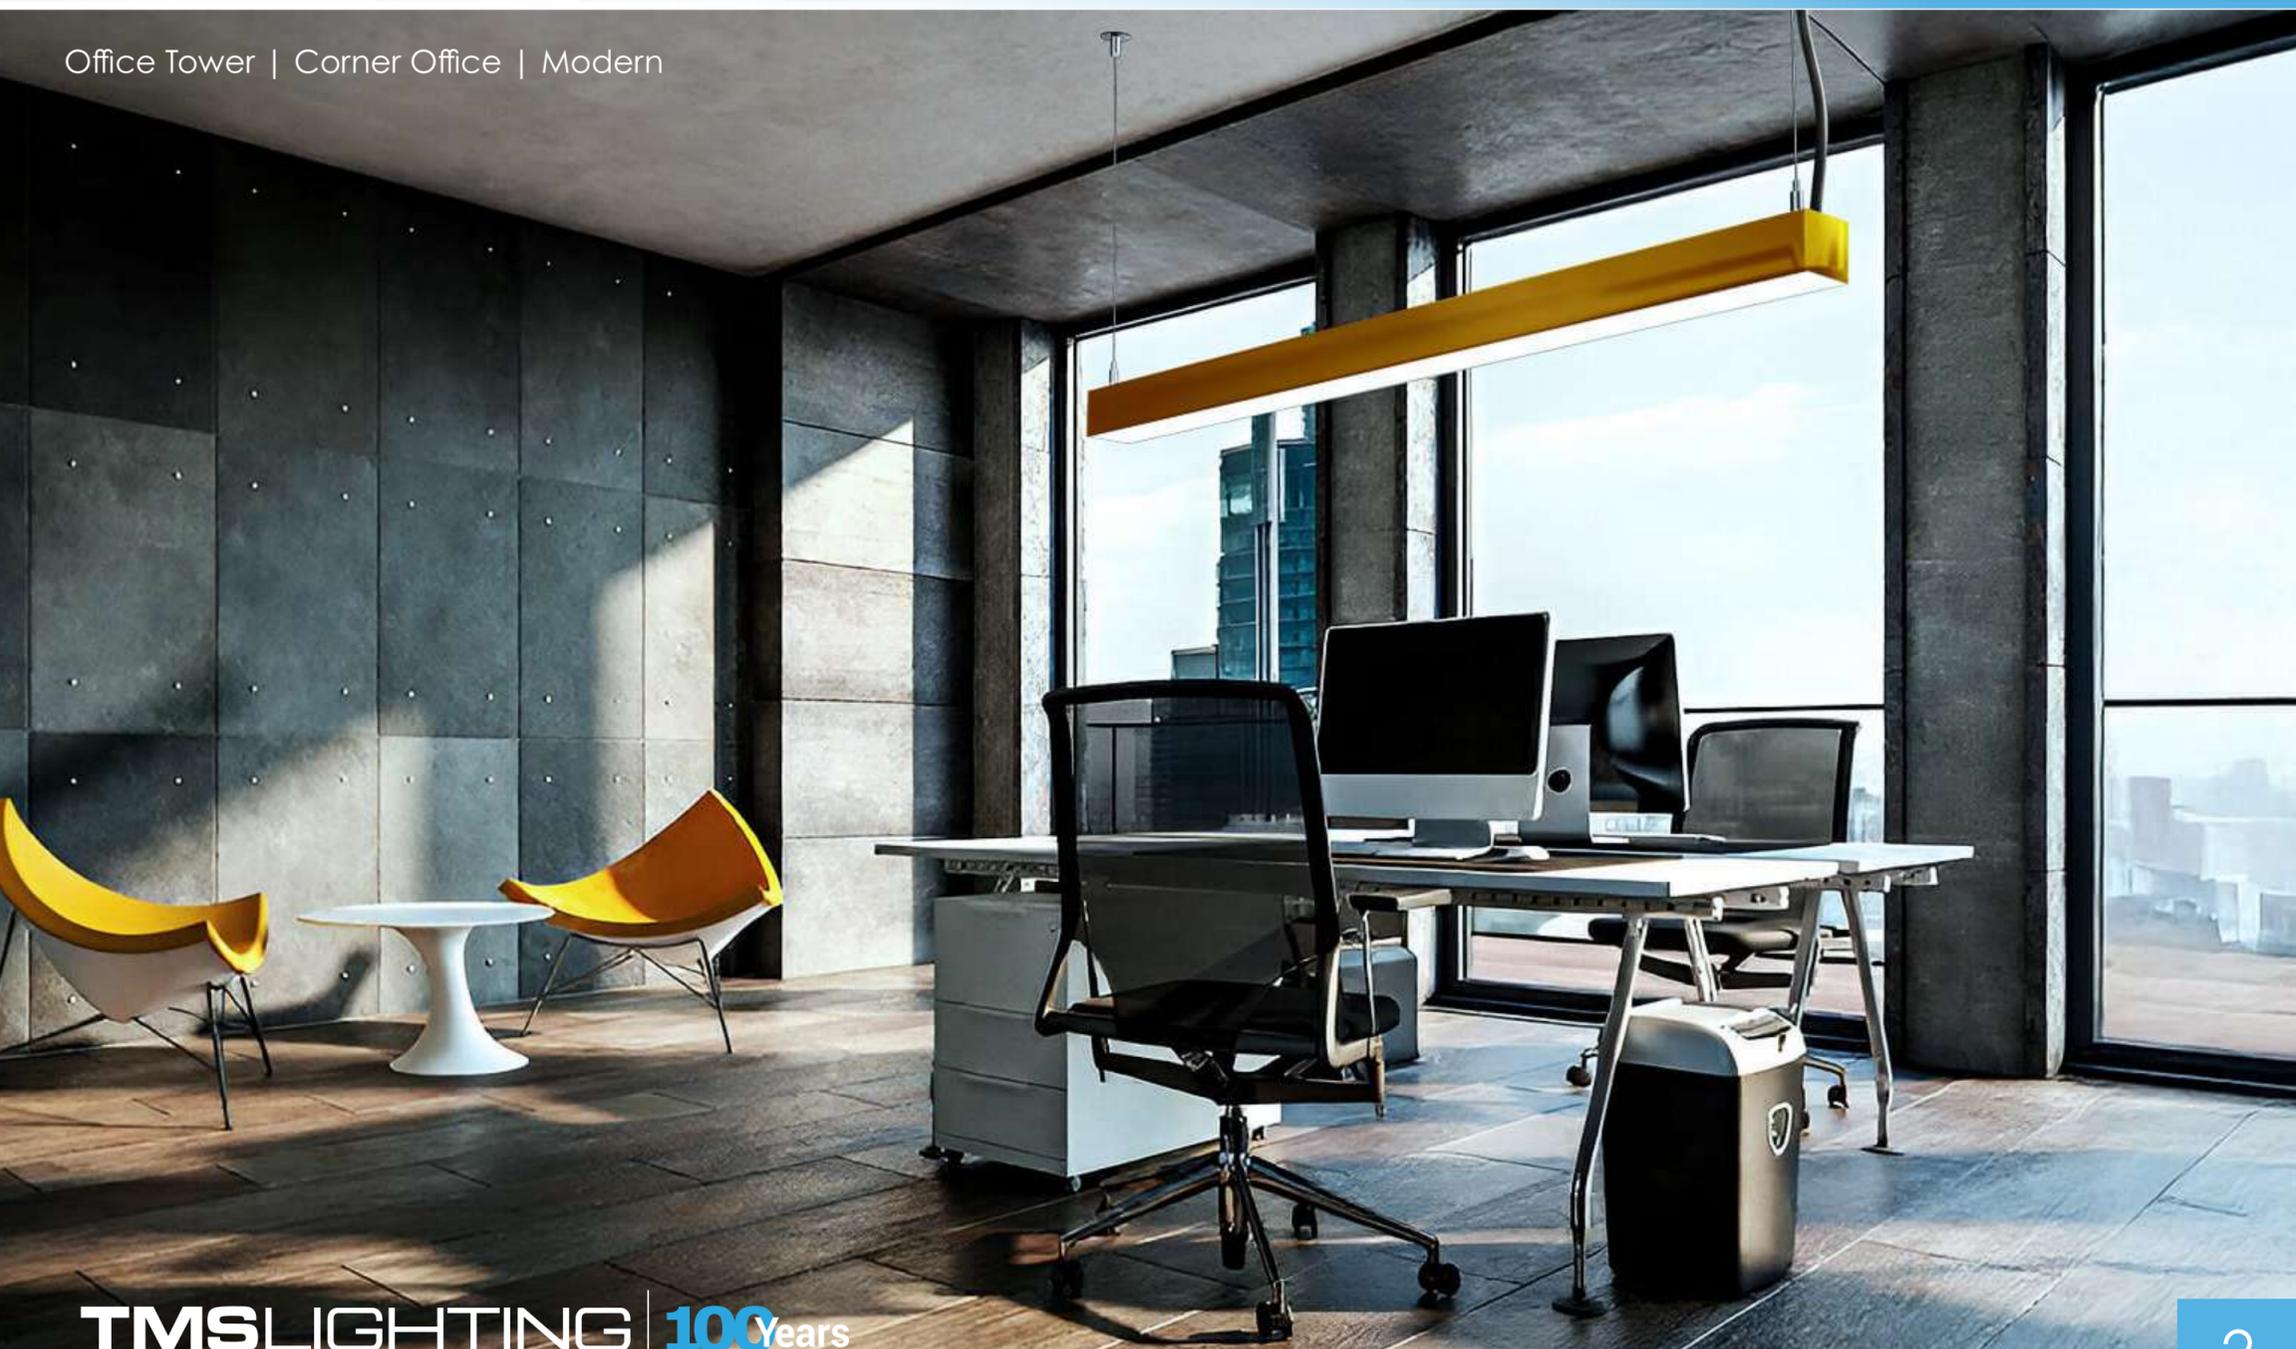

The FLIRE™ Direct Indirect Linear Luminaire

The **FLIRE™ Direct Indirect** linear is the consummate answer to driving home the look and feel of luxurious linear lighting for today's advancing world. Modern spaces still crave a taste of class, luxury, and style and we made sure to embed that thought process in the making of this wonderful linear luminaire. Radiance, ambiance, quality, and style are never in question.

The **FLIRE™ Direct Indirect** is an enmeshment of exceptional lighting and luxurious, simple aesthetic! Some key features are as follows:

- A thinner, leaner variation of the FLUX™, the **FLIRE™ Direct Indirect** luminaire maintains the same amazing quality, radiance, and power that have illuminated a variety of environments wonderfully.
- Ranging from 24" in length a considerable 144", the **FLIRE™ Direct Indirect** provides an array of options that allows for you to cover any space with perfect illumination and equally beneficial, simple lighting design.
- Making the simple, often mundane spaces appear both captivating and luxurious is an easy feat for the **FLIRE™ Direct Indirect** with 30+ premium finishes.

Office Tower | Corner Office | Modern

"Using the simplest shape and form to make a dramatic improvement in both radiance and ambiance defines the **FLIRE™ Direct Indirect.**"
