

BUUA | Wall Sconce

The BUUA™ Wall Sconce

The BUUA™ wall sconce is testament to great interior lighting for spaces that absolutely need luminance throughout the location that is strategically placed to bring more depth, feel, and illumination in ways only a sconce can. The BUUA™ keeps it simple, stylish, modern, and elegant with its great design and its impactful ability to make a space feel perfectly lit.

The BUUA™ wall sconce is the perfect addition to any modern environment needing robust illumination. Some key features are as follows:

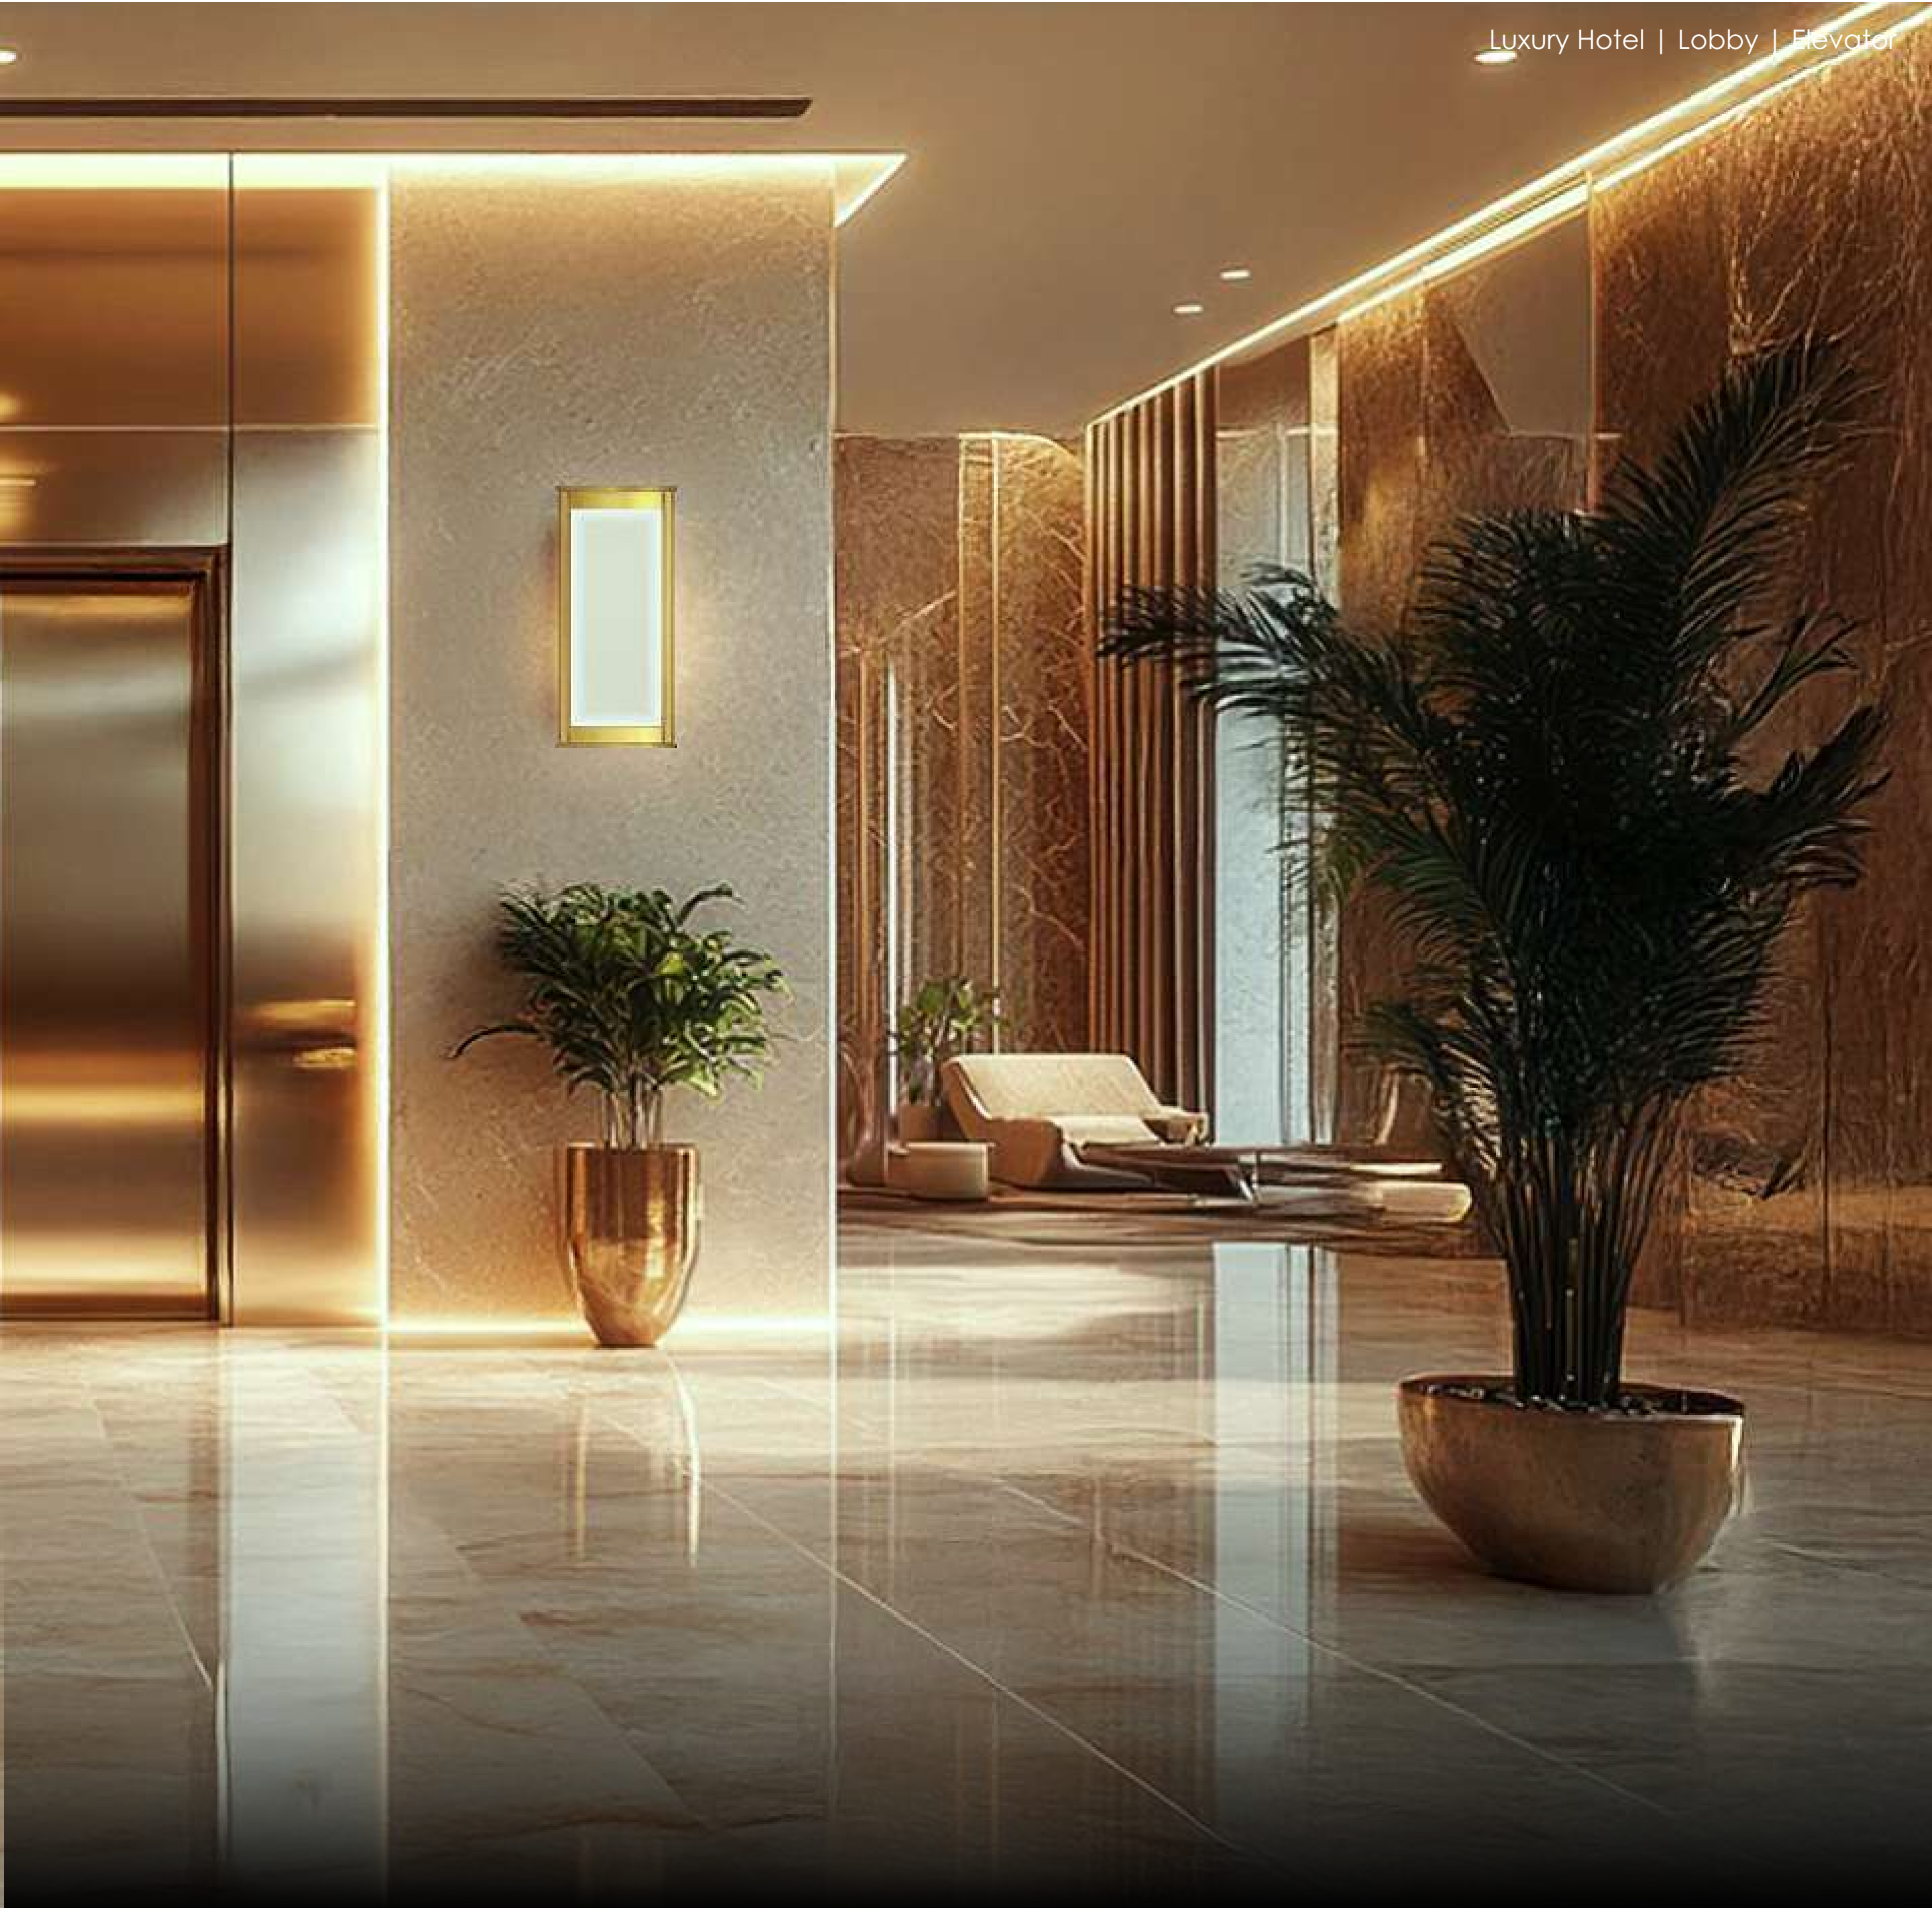

- The BUUA™ is available in 8", 14", 26", 38" and 50" and is a magnificent choice for bringing more radiance, depth, and vibrant feel into any size environment.
- The BUUA™ is popular. And why? It's has become a go-to as a premier solution to lighting both interior and exterior spaces, corridors, entryways, hallways, and columns in areas that need a lighting solution that is easy, effective, and last, but not least, beautiful.
- The BUUA™ creates a perfect diffused light that illuminates spaces exceptionally well. In combination with other lighting fixtures, and also, as a stand alone solution, the BUUA™ is a surprising delight to the eyes.

Luxury Penthouse | Great Room | Minimalist

"The BUUA™ is a sign of a commitment to lighting that complements its environment with ease; setting the stage for beauty and tranquility."
