

**FLUX W2C** | Recessed Linear

# *Creative* LIGHTING

## The FLUX™ W2C Recessed Linear

The **FLUX™ W2C** recessed linear light becomes a prominent addition to any environment that is installed in. This recessed linear isn't just another lighting solution--it's a commitment to creating a spectacularly illuminated space with little no comparisons! This combination lighting fixture brings together creativity and radiance in a way that is impressive to say the least!

The **FLUX™ W2C** works as a creative and beautiful way to make a first impression in a space with lighting that is impactful and radiant! Key features are as follows:

- The **FLUX™ W2C** goes beyond 'just lighting'-- this fixture works to light your space effectively and does it in a creative way that is guaranteed to leave a lasting impression.
- Whereas the **FLIRE™ W2C** is the beginning of many people's introduction to amazingly creative linear lighting! The **FLUX™ W2C** is a slightly larger way in which to achieve the same amazing results with a recessed lighting solution that brings a classy, unique, and instant improvement to locations looking to set themselves apart.
- The **FLUX™ W2C** is a customizers dream with a variety of sizings, premium finishes, and so much more! The **FLUX™ W2C** is the epitome of great lighting!

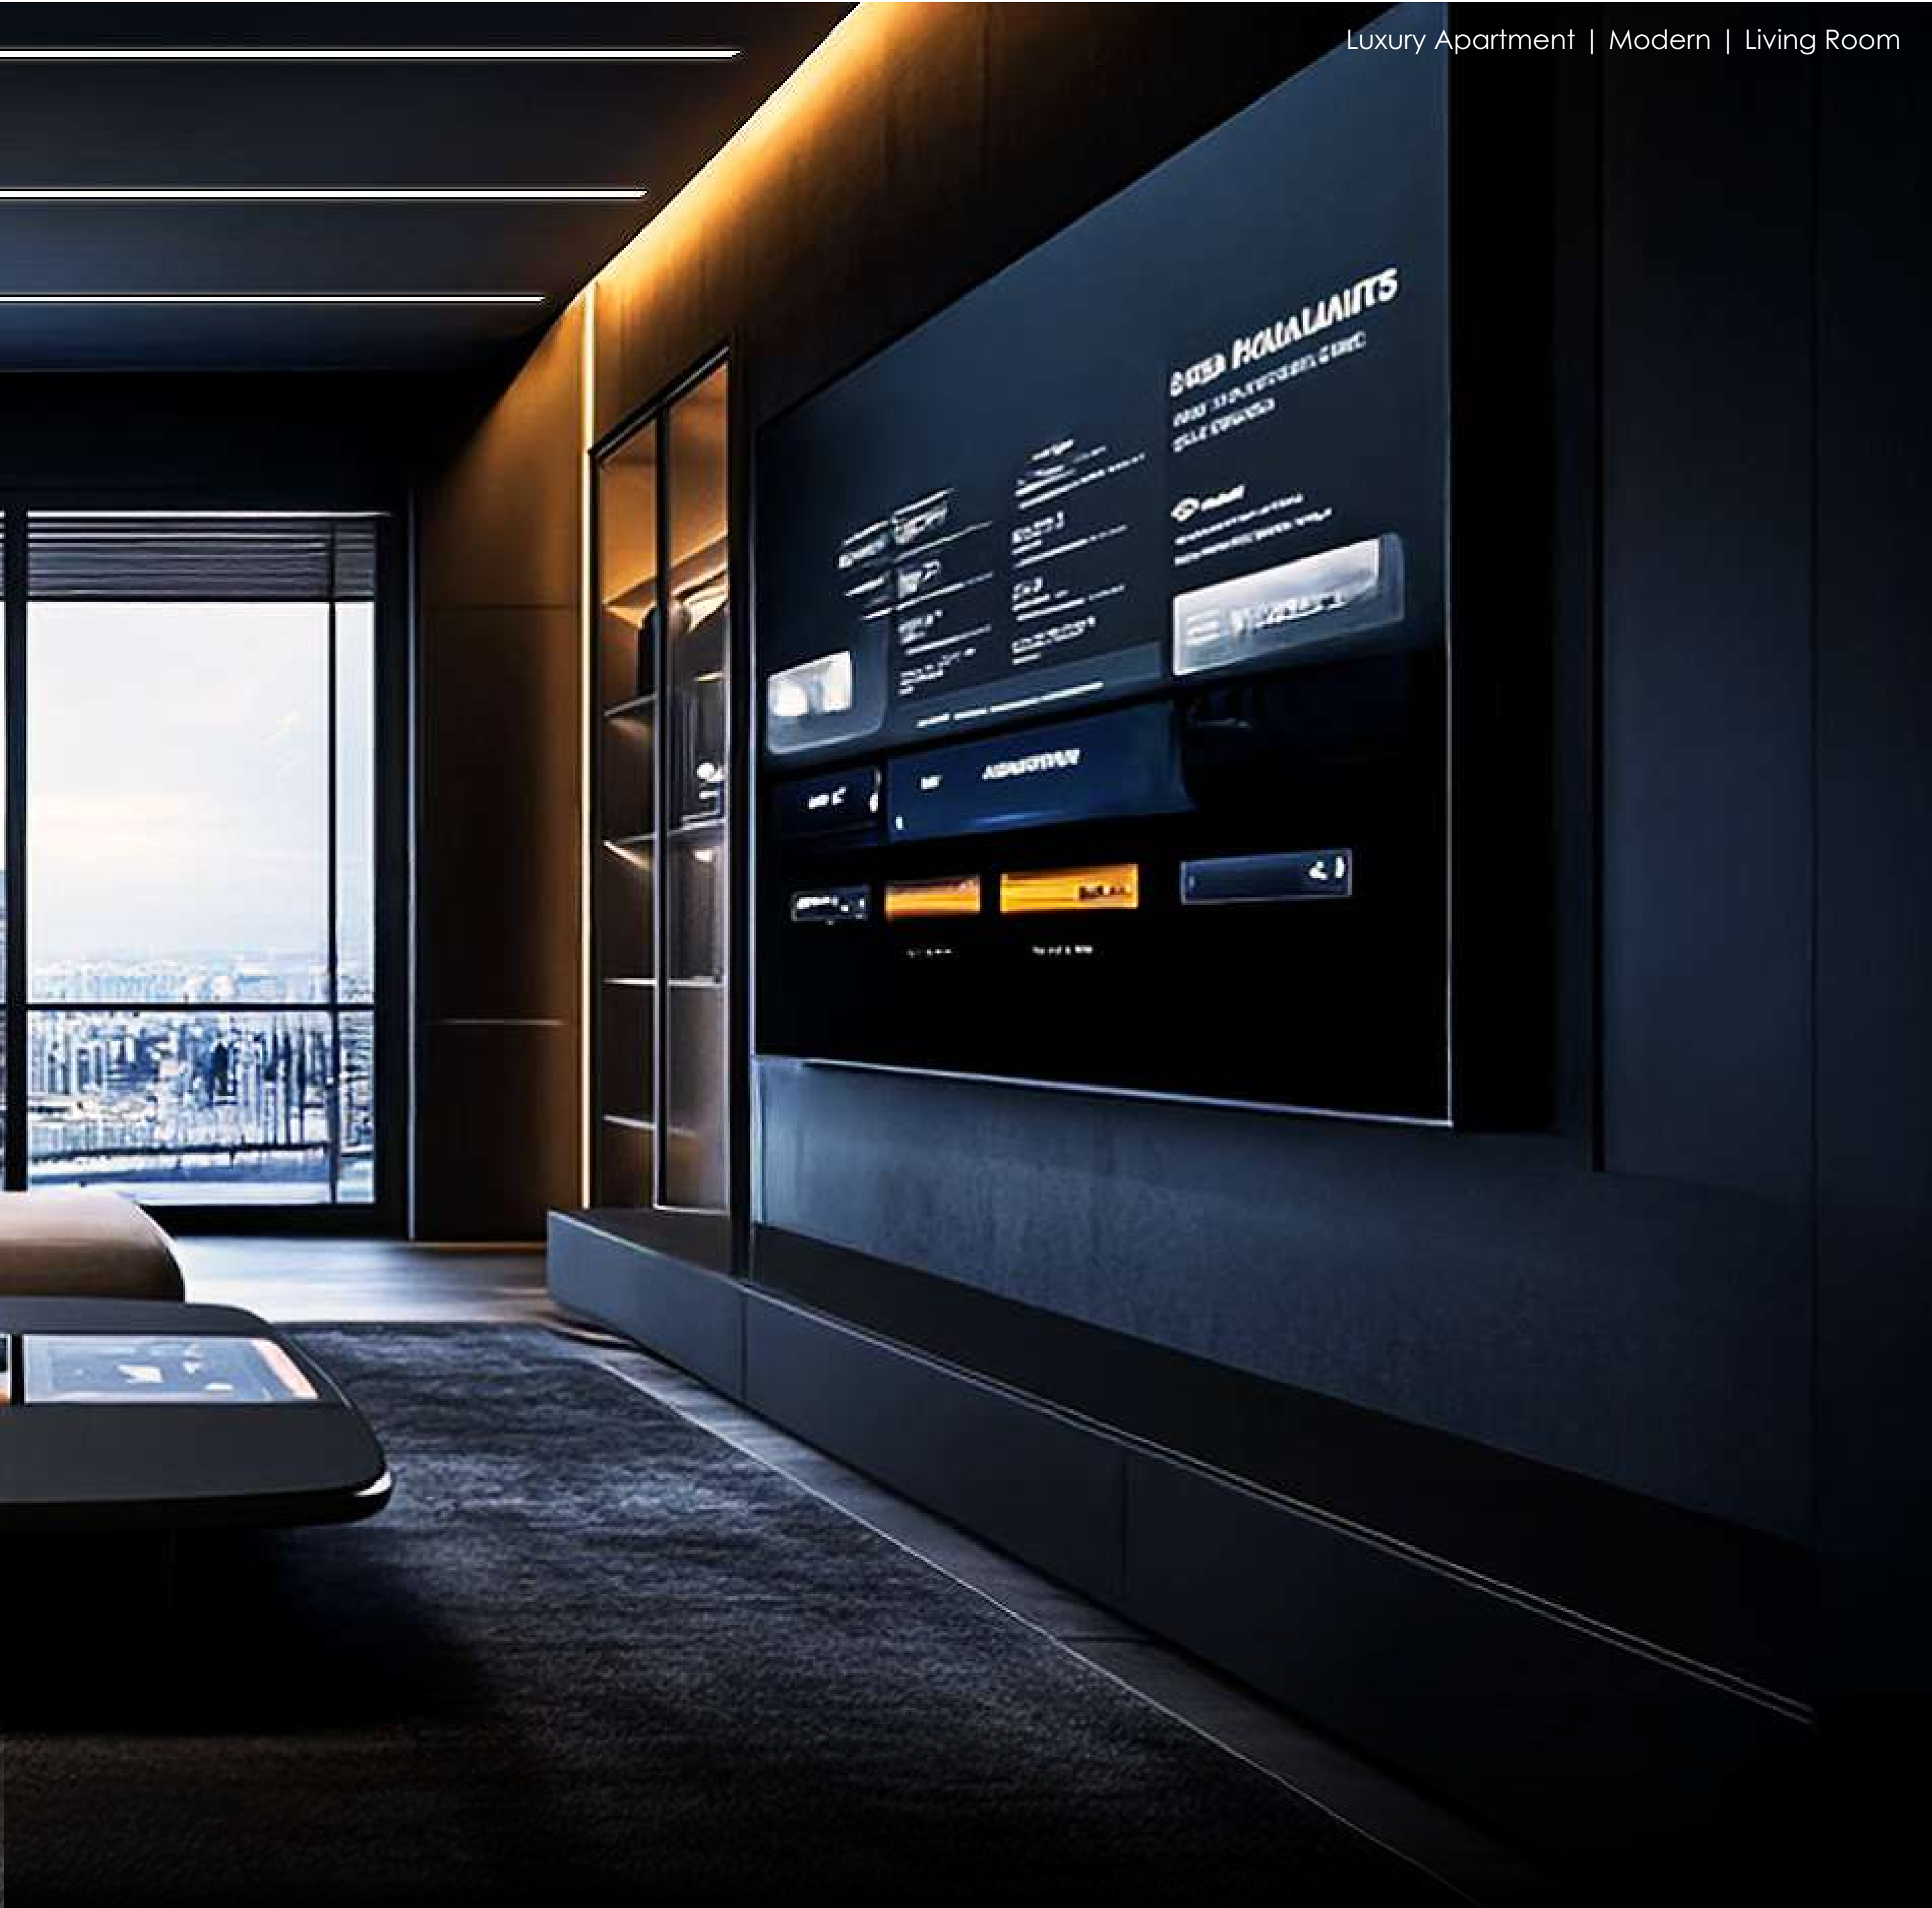

Company Head Quarters | Passageway | Modern Futurist

"The **FLUX™ W2C** is definitive linear lighting that fully integrates into your space to create a well-lit living, breathing atmosphere."
