Radiant LUMINANCE

The RADIAL™ Luminaire Light

The **RADIAL™** luminaire is unique. This is how you light a space with both pinache, chic, and style. Amongst luminaire's currently in the market, the RADIAL™ draws attention to itself as a top choice when looking to make an impression because of it exceptional design, it's seemingly perfect lumen output, and beautifully stunning radiance and ambiance!

The **RADIAL™** is a stunningly exceptional way in which to approach lighting your location! Some key features are as follows:

- This luminaire can't help but bring more notoriety to your location as well as leave a powerful impression due to its unique beauty and aura.
- The **RADIAL™** ranges from 16" to 19" and, through research and development, we've found that these are the absolute perfect sizing for a variety of spaces looking to "light with something different."
- Great dimming options, sustainably made with power efficiency, and with both indoor and outdoor mounting makes this a lovely choice for resorts, hotels, and exotic fine dining experiences!

The **RADIAL™** is unmatched unique lighting with a beautiful, mysterious edge.

Minimalist | Modern | Loft

"Creating a sense of wonder and awe is just one of the many byproducts of choosing the unique **RADIAL™** luminaire to brighten your space."
