

CYLINDER | Ceiling Light

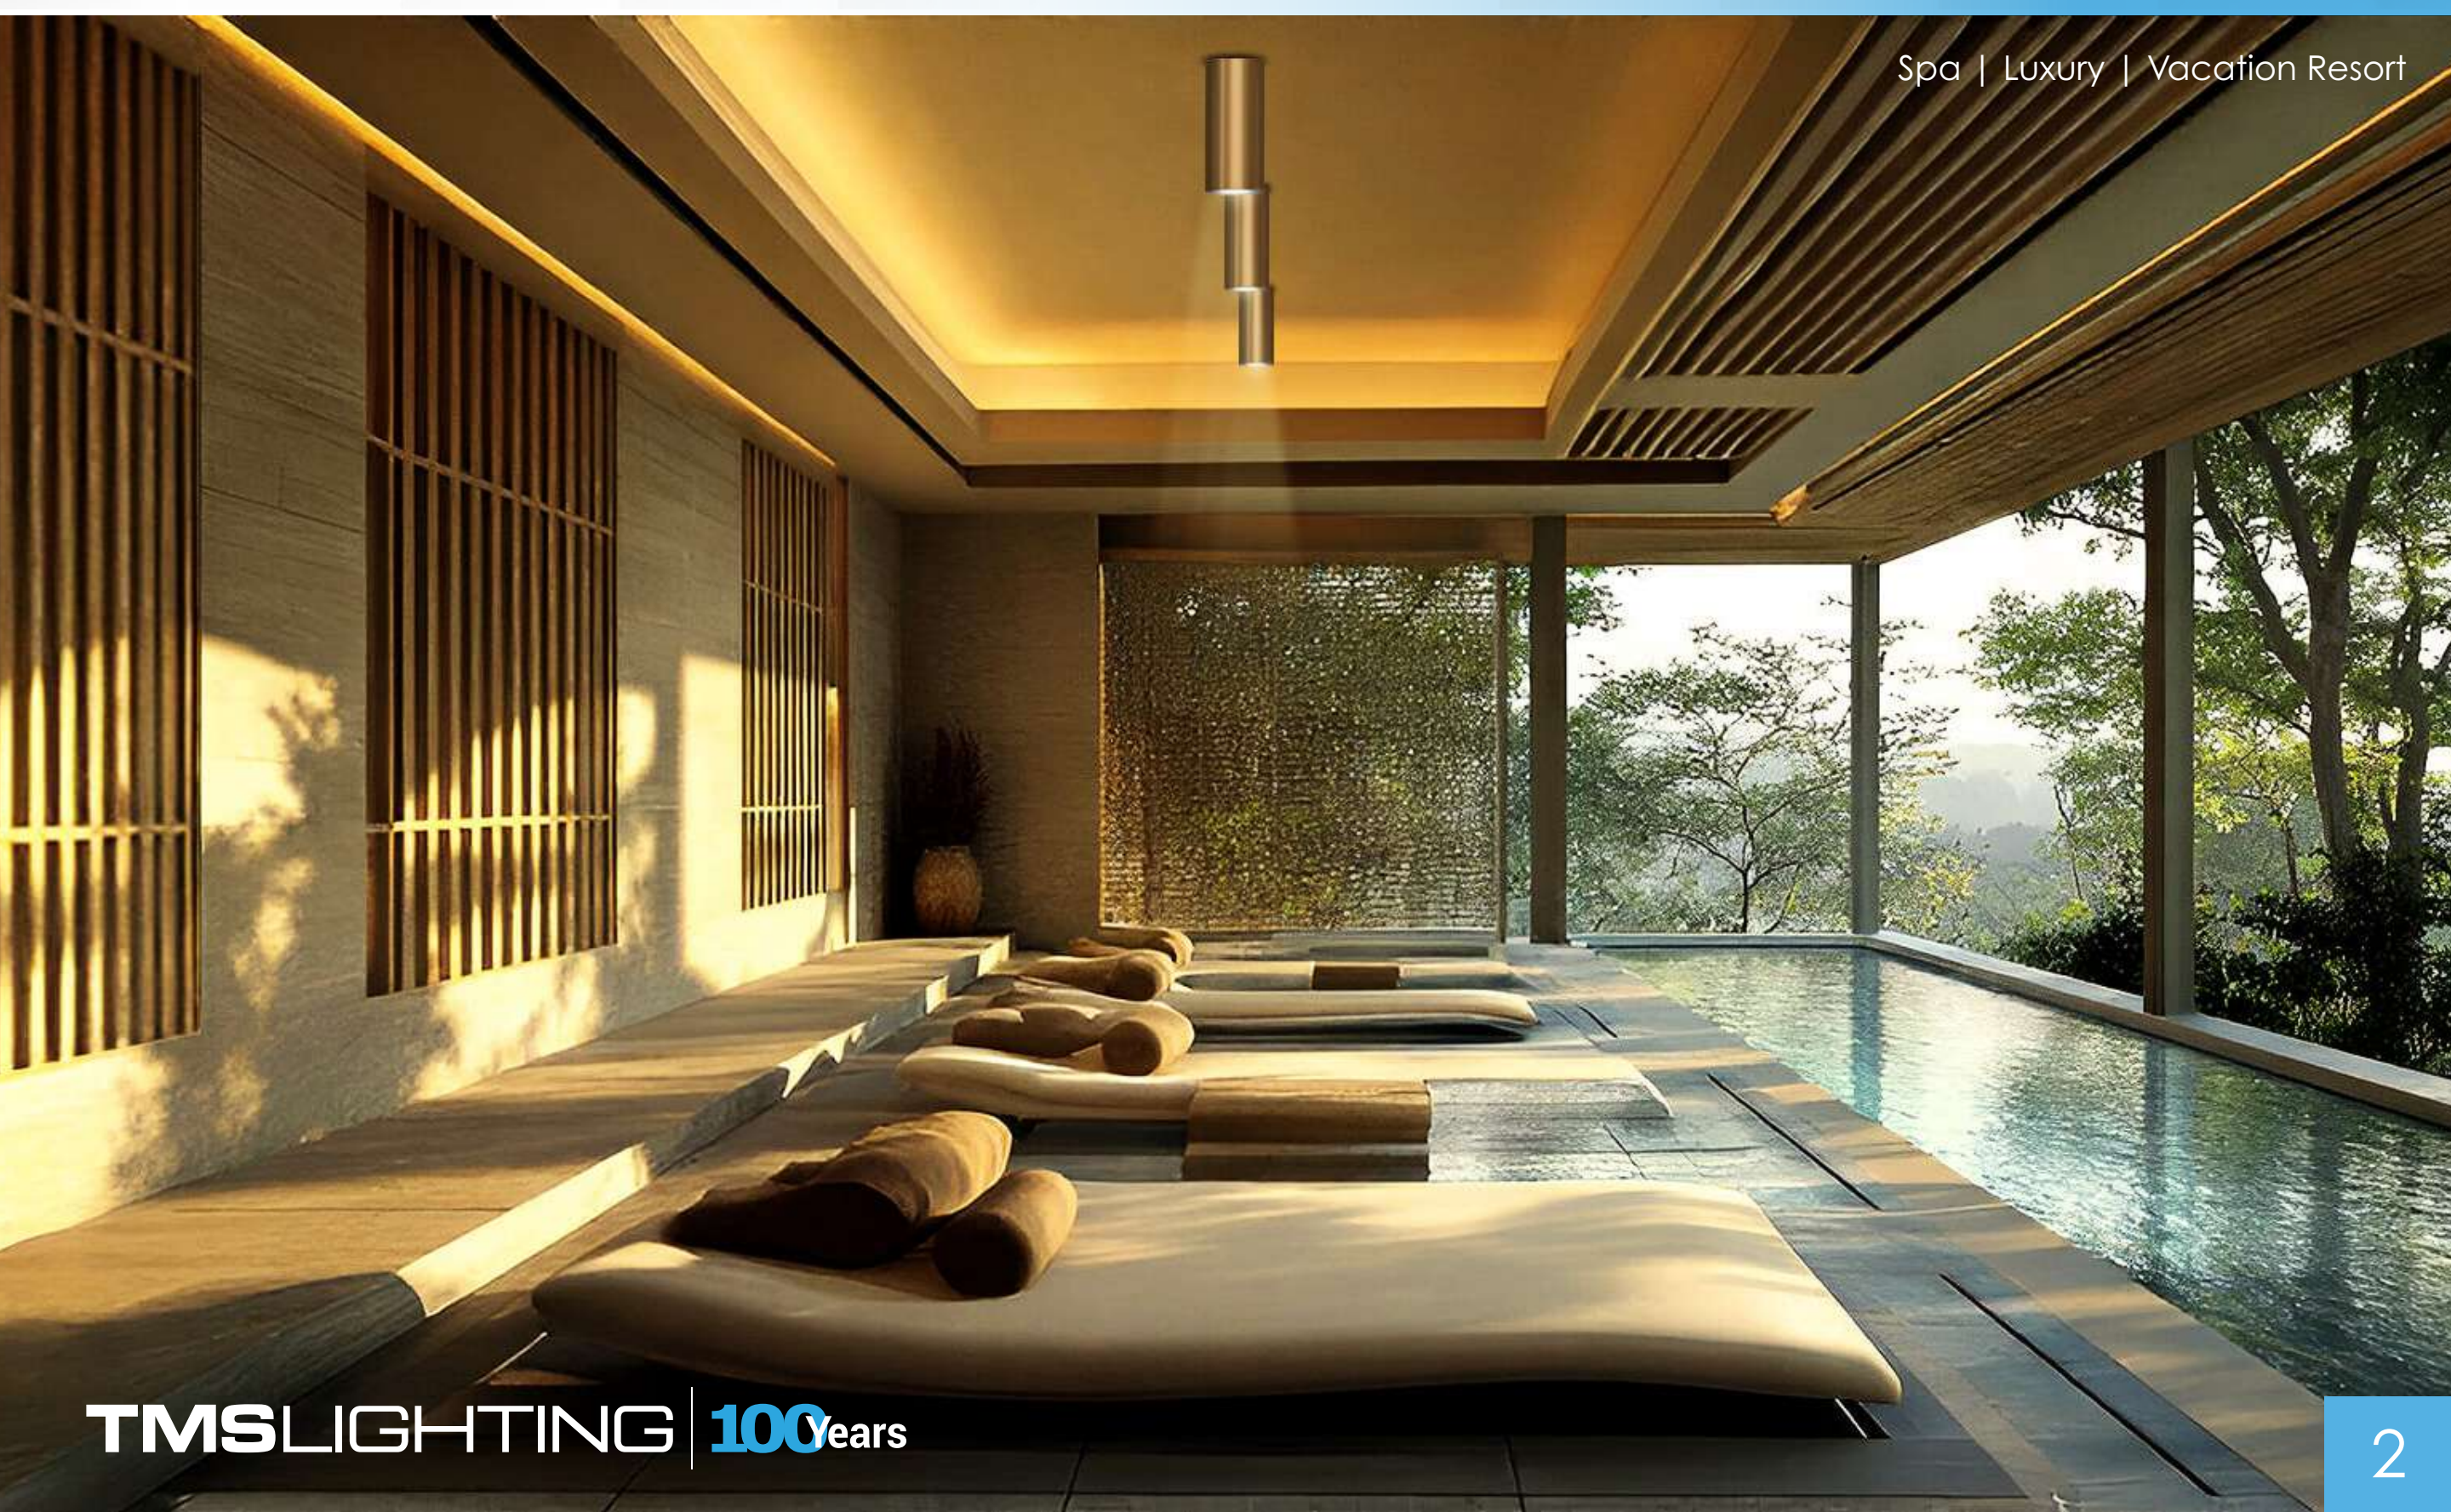

The CYLINDER™ Ceiling Light

The **CYLINDER™** ceiling light succeeds at making simple and stylish look both luxurious and extravagant! Being able to be a wonderful addition to any type of location makes this lighting fixture an amazing contributor to lighting that changes spaces for the better and does so in the simplest, cylindrical way possible. Perfect lighting, simplicity, and immediate impact!

The **CYLINDER™** ceiling light is simple in design but marvelous in versatility and exceptional lighting! Some key features are as follows:

- The **CYLINDER™** ceiling light fixtures comes in two perfect size offerings -- 6" diameter and 8" diameter, which work perfectly for industrial, commercial, and residential use cases.
- Offered in a variety of premium finishes, the **CYLINDER™** ceiling light looks and feels premium and delivers lighting that matches its simple, top-quality aesthetic.
- When talking about the **CYLINDER™** ceiling light, this fixture often comes up as one of the most popular in the industry due to its versatility in use cases across so many environments with nothing but satisfactory results!

Spa | Luxury | Vacation Resort

"The **CYLINDER™** ceiling light is a commitment to simplicity that leaves an impact in your space with lighting that immediately uplifts."
