Cool LIGHTING

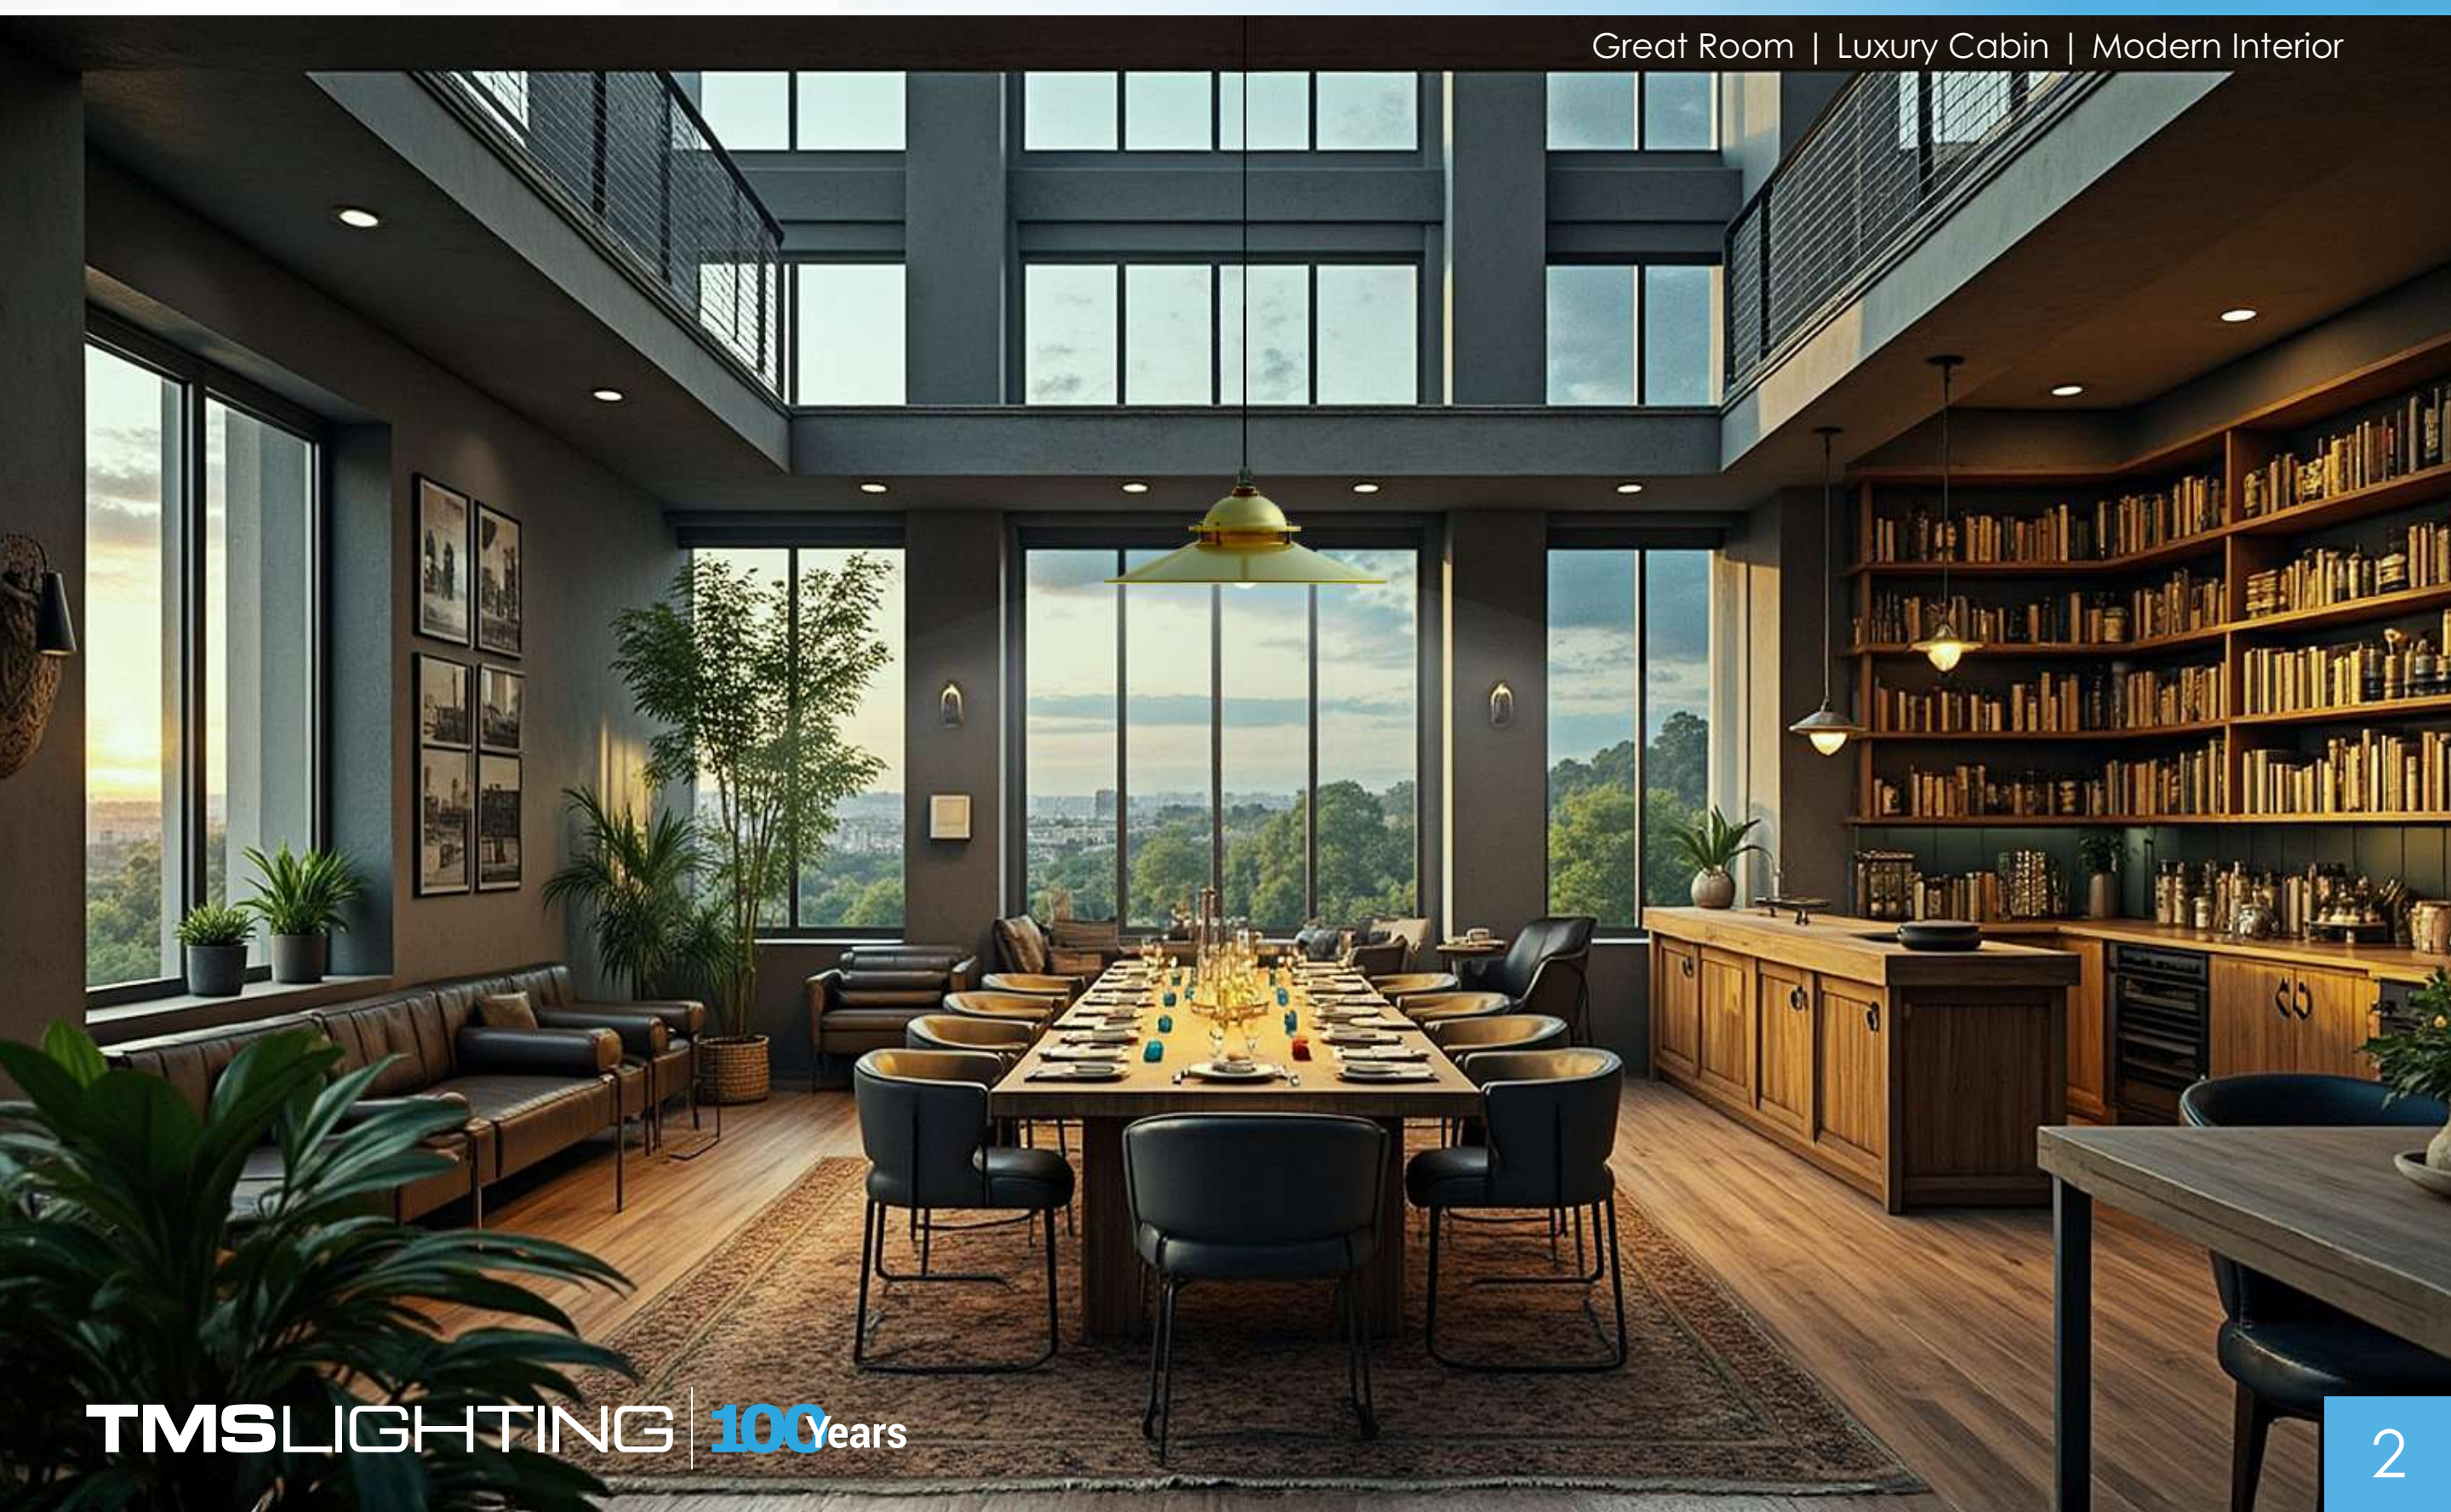

The JAZZ™ Pendant Light

The **JAZZ™** pendant light was built to bring both great lighting and cool vibes into your space in a refreshing, exciting, and vibrant new way! Did we succeed? The wonderful feedback says that we accomplished what we set out to do--bring something that exemplifies 'cool' and 'stylish' in the form of an amazing pendant light. The **JAZZ™** is exactly that.

The **JAZZ™** is style, class, and brings just the right touch to spaces looking for a subdued 'cool factor' that is unmatched. Some key features are as follows:

- The **JAZZ™** is made for both indoor and outdoor spaces as it is offered with options such as stem mounting and as with cord. This ensures that you are able to have a choice in what capacity you're looking to place this fixture--whether inside or outside, you're getting amazingly stylish lighting.
- From 14" to 24" diameters, the range of sizing ensures that you've been given the best selection of ways in which to plan out how to incorporate the **JAZZ™** into your space perfectly.
- Looking to customize your globe lens as well? The **JAZZ™** offers this as an option to customize as well as premium finishing options, and mounting accessories--customization is top of mind with this stunning pendant light!
