

FLUX RECESSED | Wall Linear

Big + BRIGHT

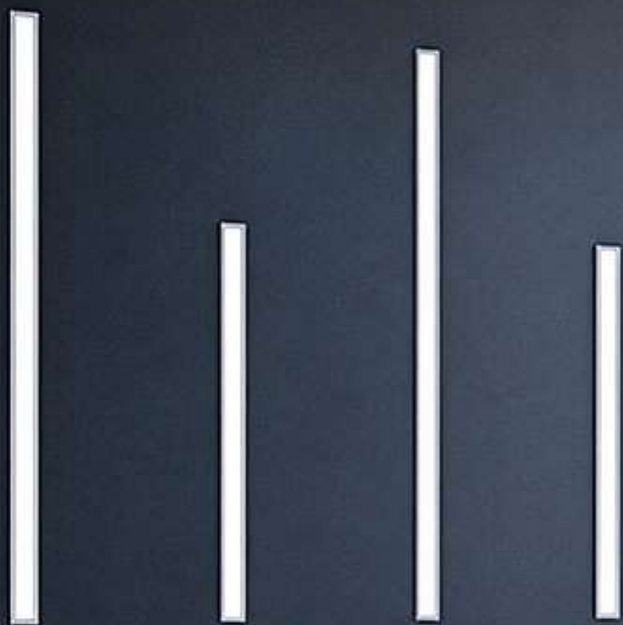

The FLUX™ Recessed Wall linear

The **FLUX™** recessed wall linear is a pivotal addition to your interior lighting ambitions. This fixture brings not only radiance, but strong prominent design sensibilities that exude luxury and forward-thinking modernity. We're always at the forefront of linear lighting and the **FLUX™** is an offering that ensures prominent, big, powerful radiance is a part of your world.

The **FLUX™** recessed linear light brings wide, brilliant linear lighting to your interior lighting needs. Some key features of the **FLUX™** recessed wall linear are:

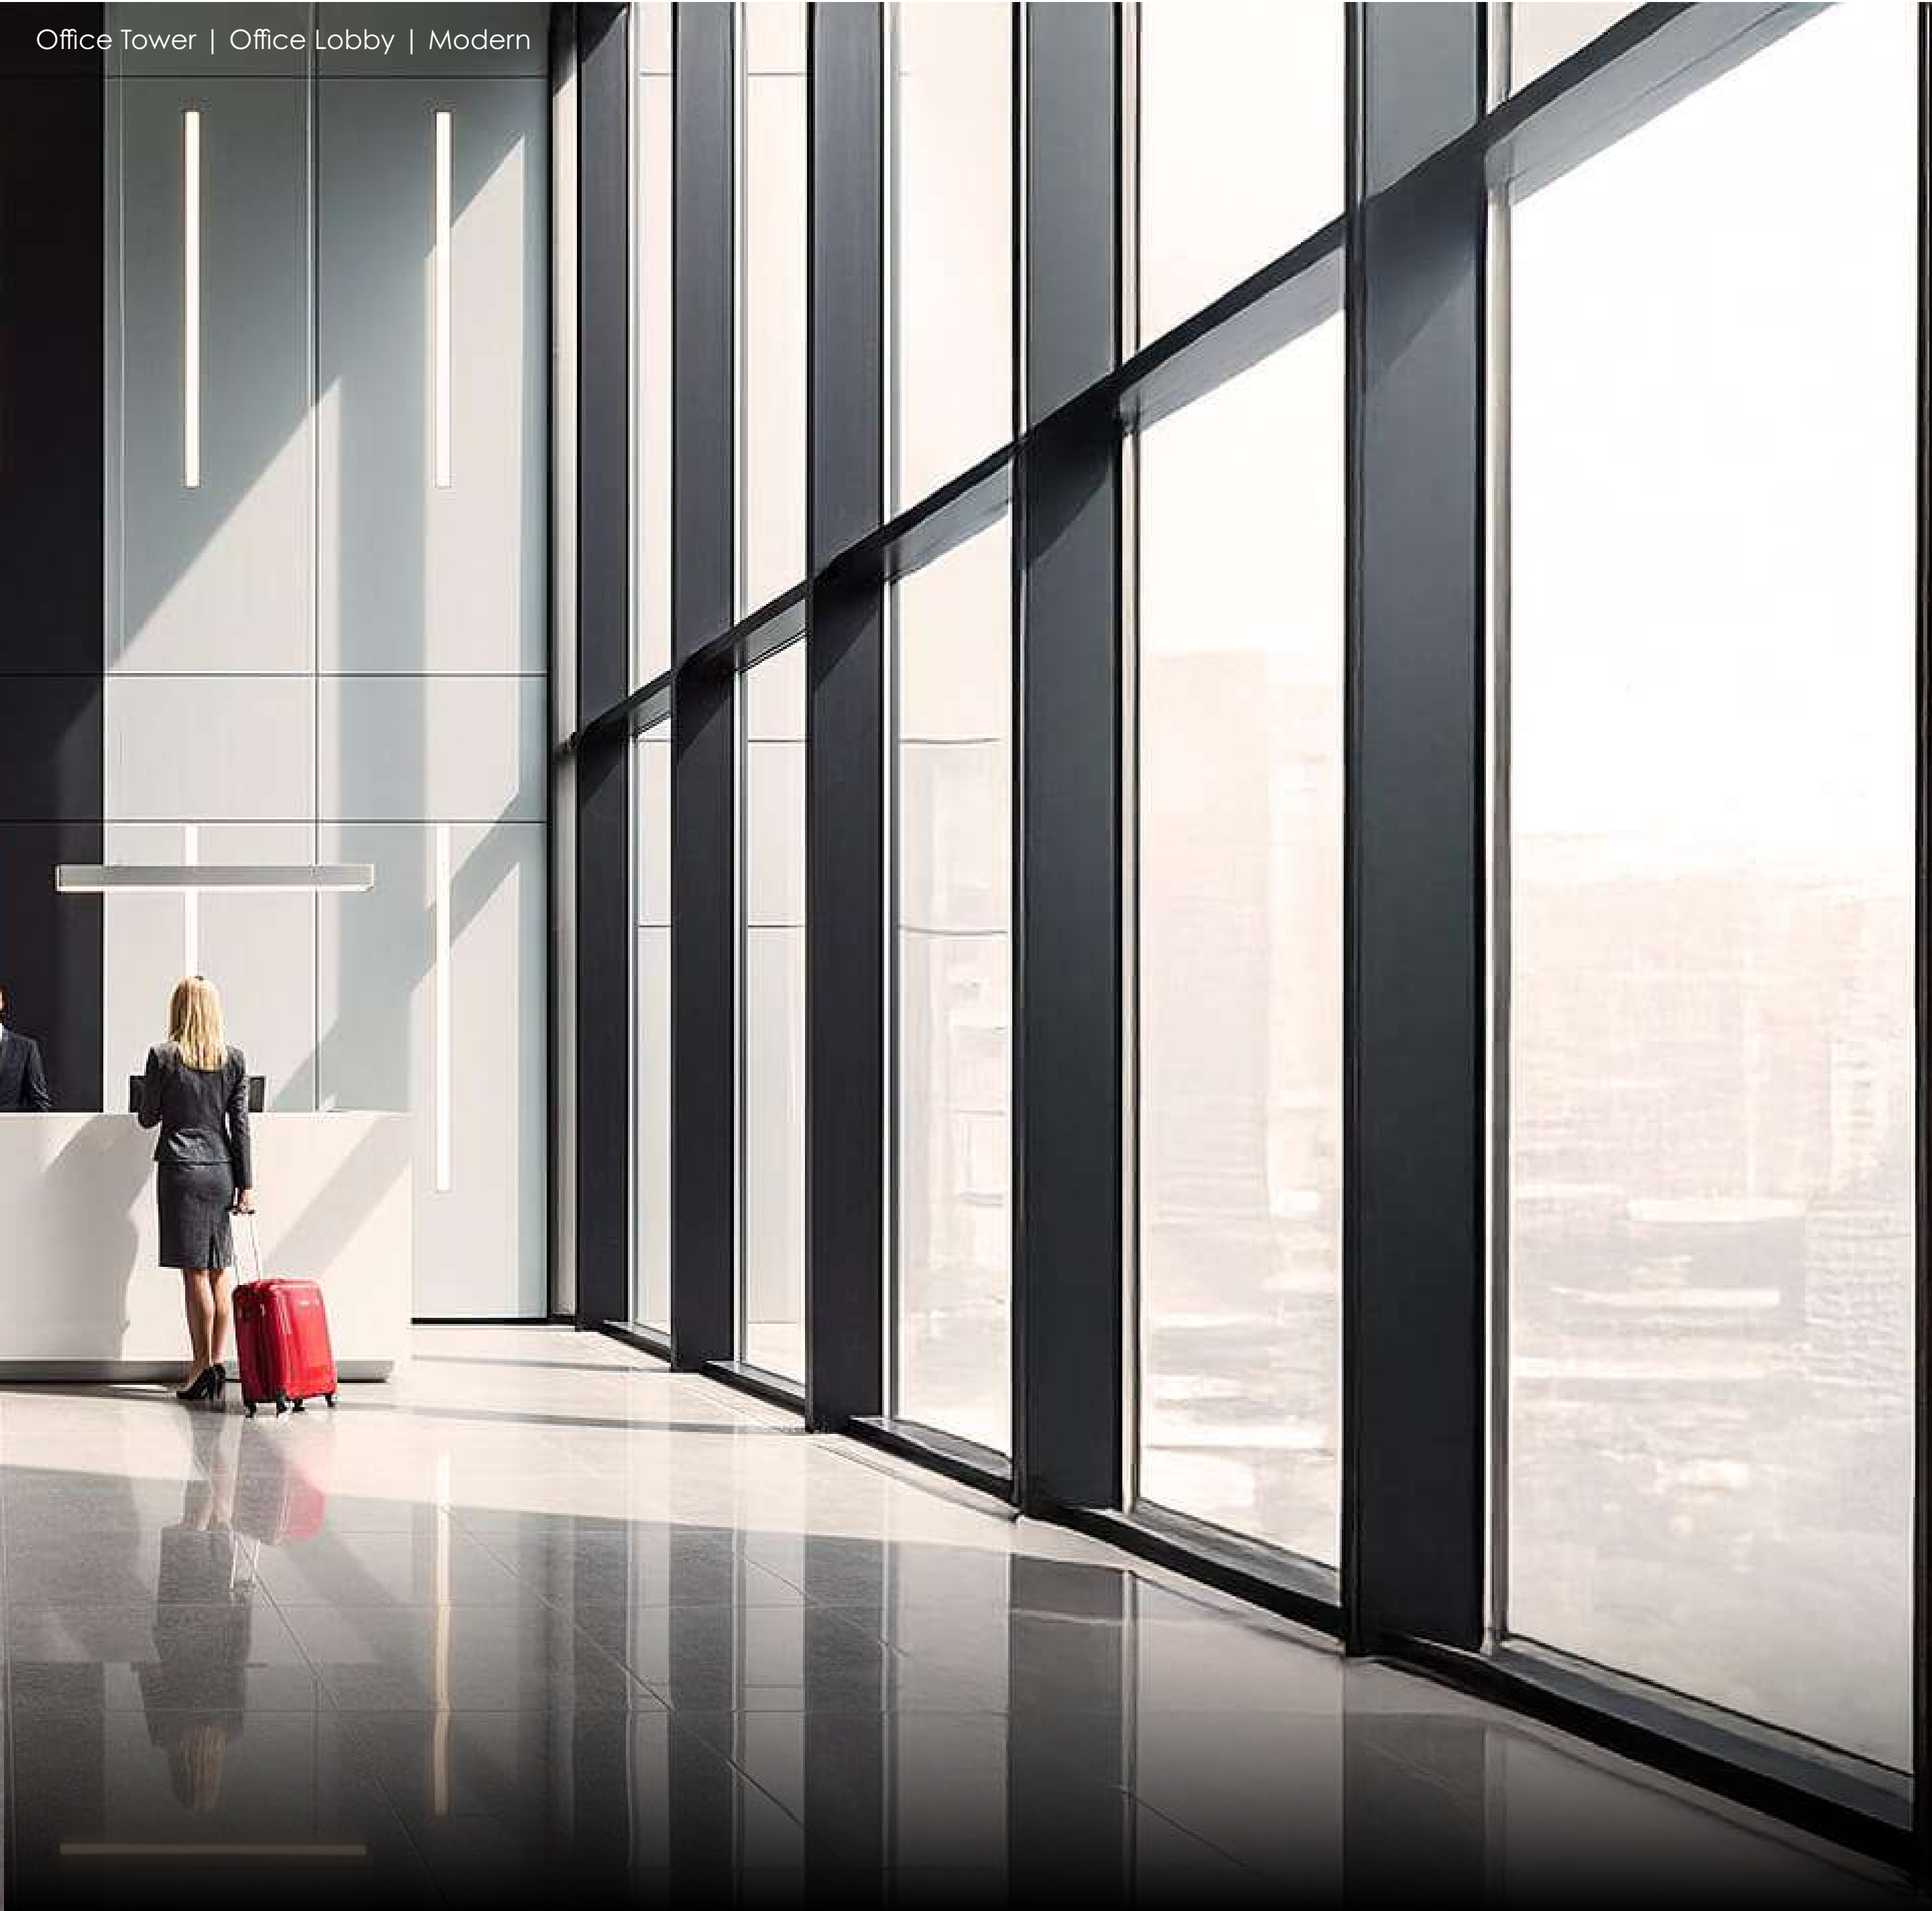

- The **FLUX™** is the simple, yet dramatic interior wall linear that makes an immediate statement both in prominence, style, and of course, linear lighting.
- A size range of 24" - 144", has brought a big reputation to the **FLUX™** recessed wall linear as the go-to choice for interior wall lighting when the project requires linear lighting done on a big scale and done right with a lighting solution designed to meet your needs..
- From an aesthetic standpoint, the **FLUX™** is the finishing touch for a space that requires a modern, sleek solution to interior wall lighting that treats your wall like a canvas and the light as the artwork while simultaneously meeting your need for radiance, ambiance, and establishing an air of distinction and prestige.
