# *Terrific* RADIANCE

## The LUNA TRIO™ Pendant Light

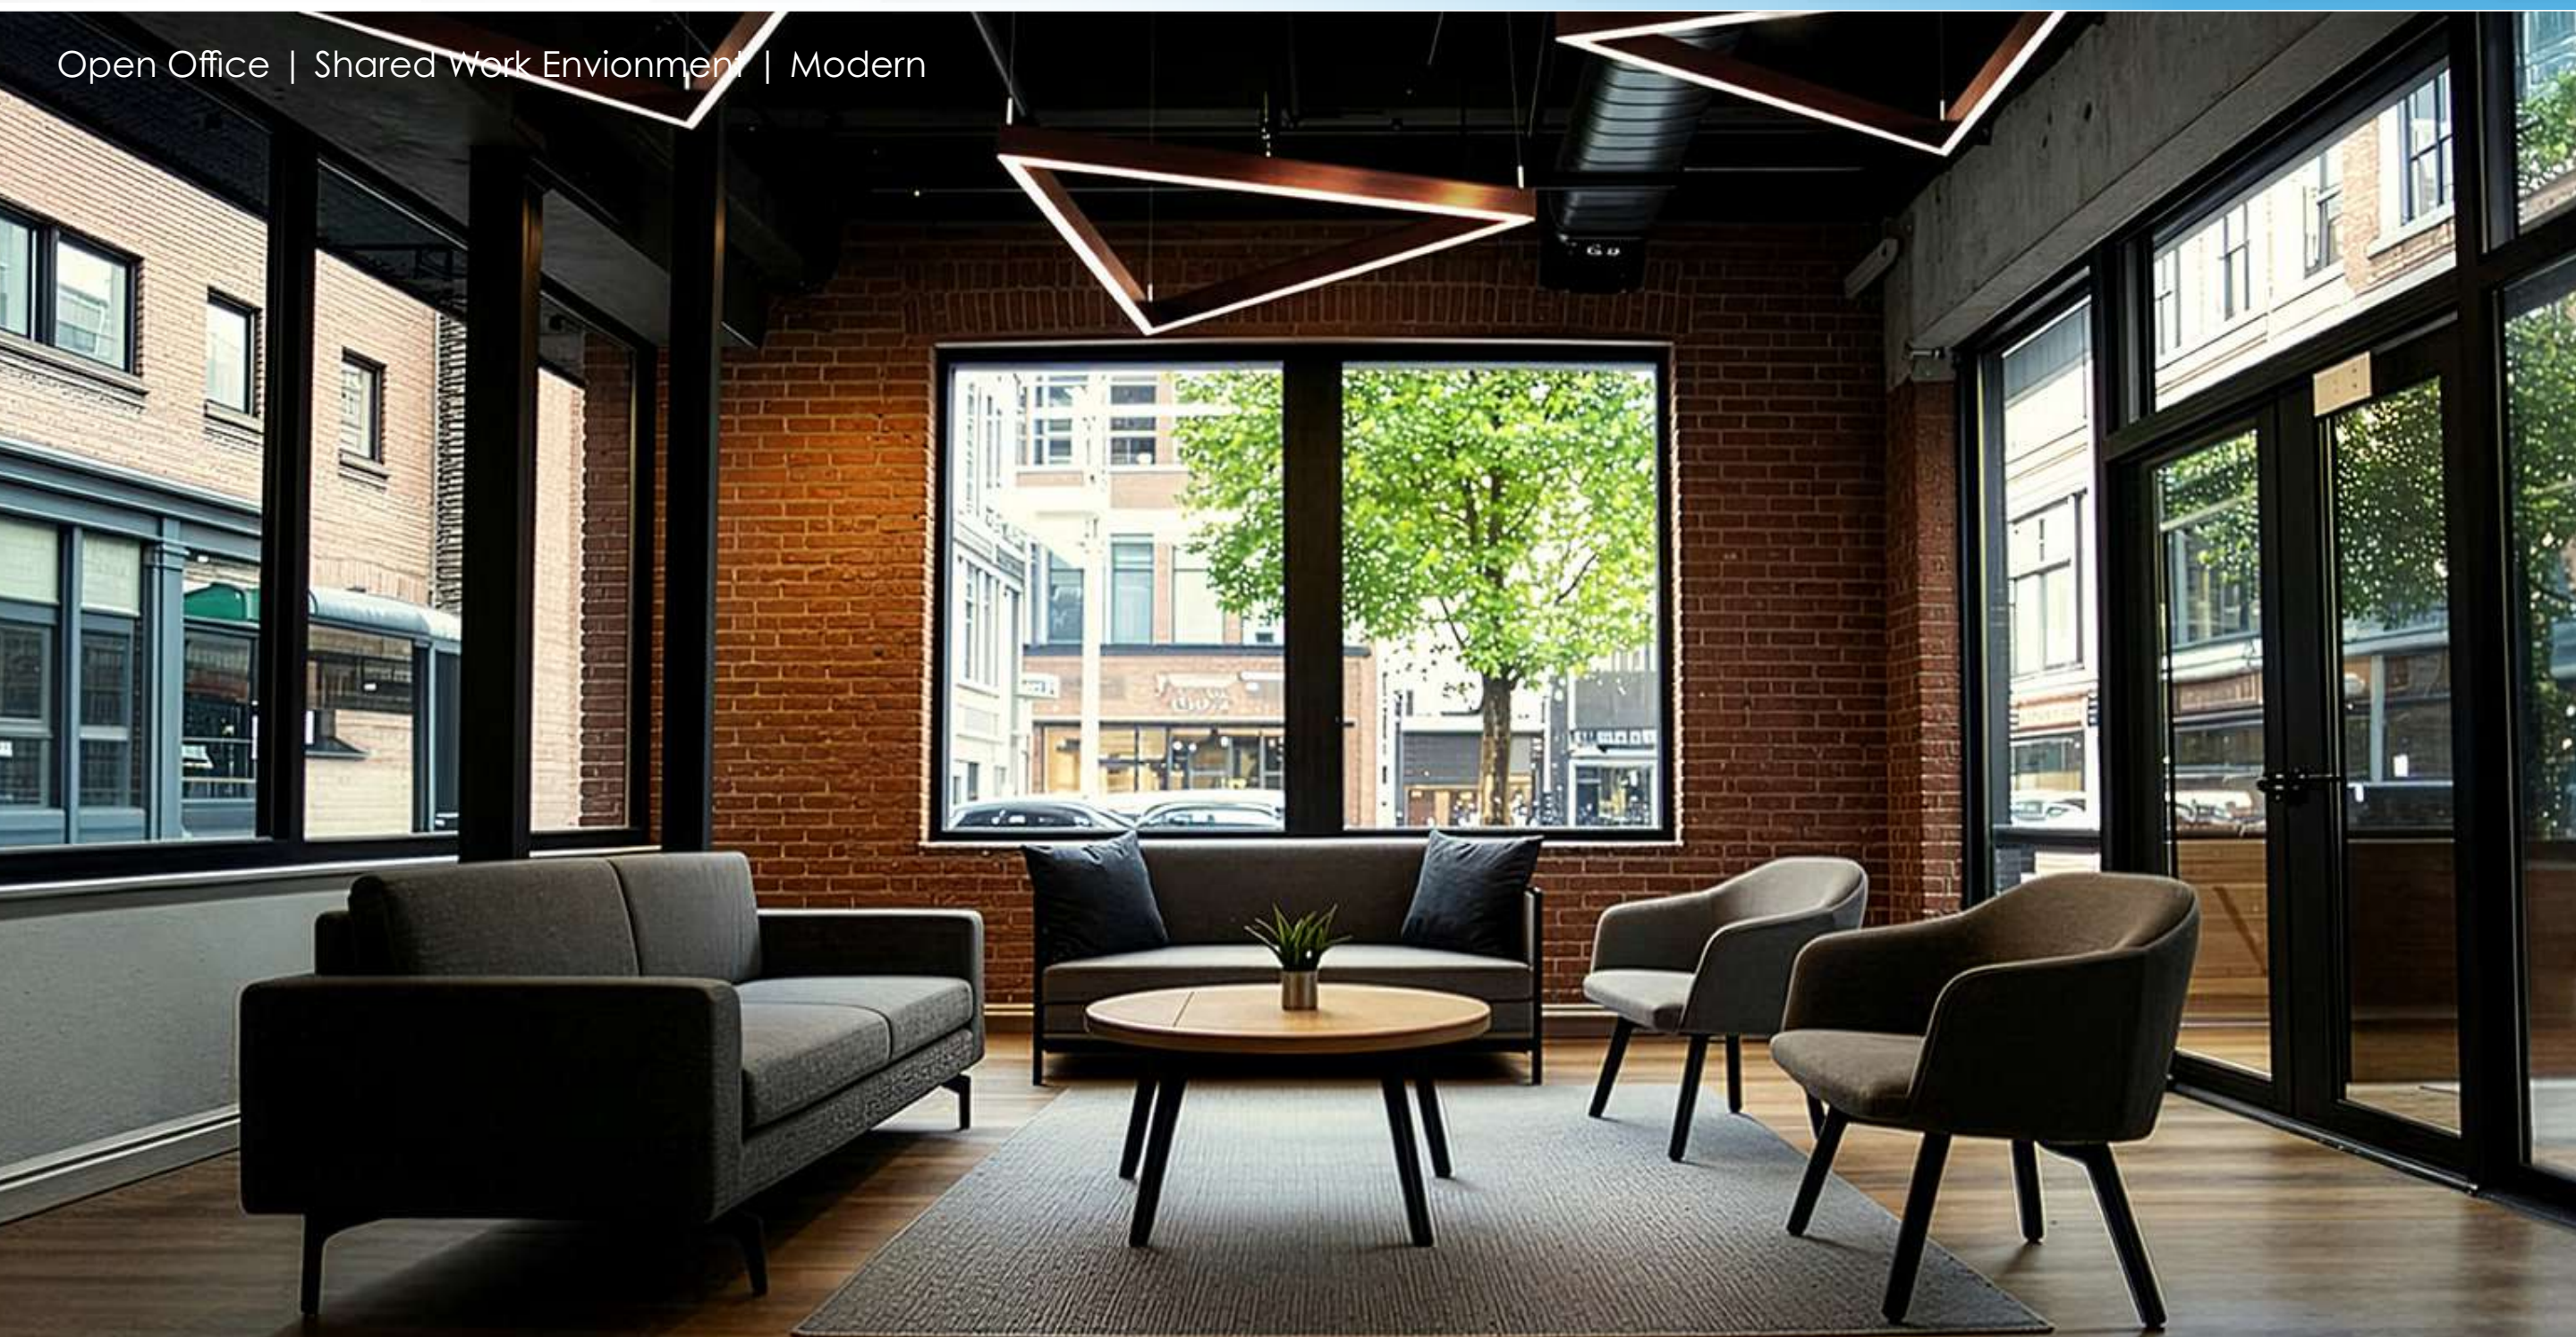

The **LUNA TRIO™** is what happens when you successfully triangulate great luminance, jaw-dropping beauty, and sleek minimalism and bring it all together! The **LUNA TRIO™** exemplifies this trifecta in such a way that is an especially captivating way of lighting modern spaces in today's world with angular shape and design that gets noticed!

The **LUNA TRIO™** is simply creative, angular lighting that grabs your attention and gives it back to you in radiance! Key features of this luminaire are as follows:

- The **LUNA TRIO™** luminaire is designed in an array of sizes ranging from 24" up to 84" which successfully gives you options for defining spaces with a creative assortment of canopy set-ups and easy installations.
- The **LUNA TRIO™** brings a unique, creative design into the foray of modern design and uses its uniqueness to bring spaces up to a level of elitism and exceptionalism that is both welcoming and pleasantly awe-inspiring.
- The **LUNA TRIO™** does radiance correctly. It brings power over suspension, energy efficiency, and incredible lumen output in the form of an architectural lighting solution that is hard to ignore. When making a statement, this is a great choice for your modern environment.
