

FLUX DIRECT INDIRECT | Linear

Linear LIGHTING

The FLUX™ Direct Indirect Linear Luminaire

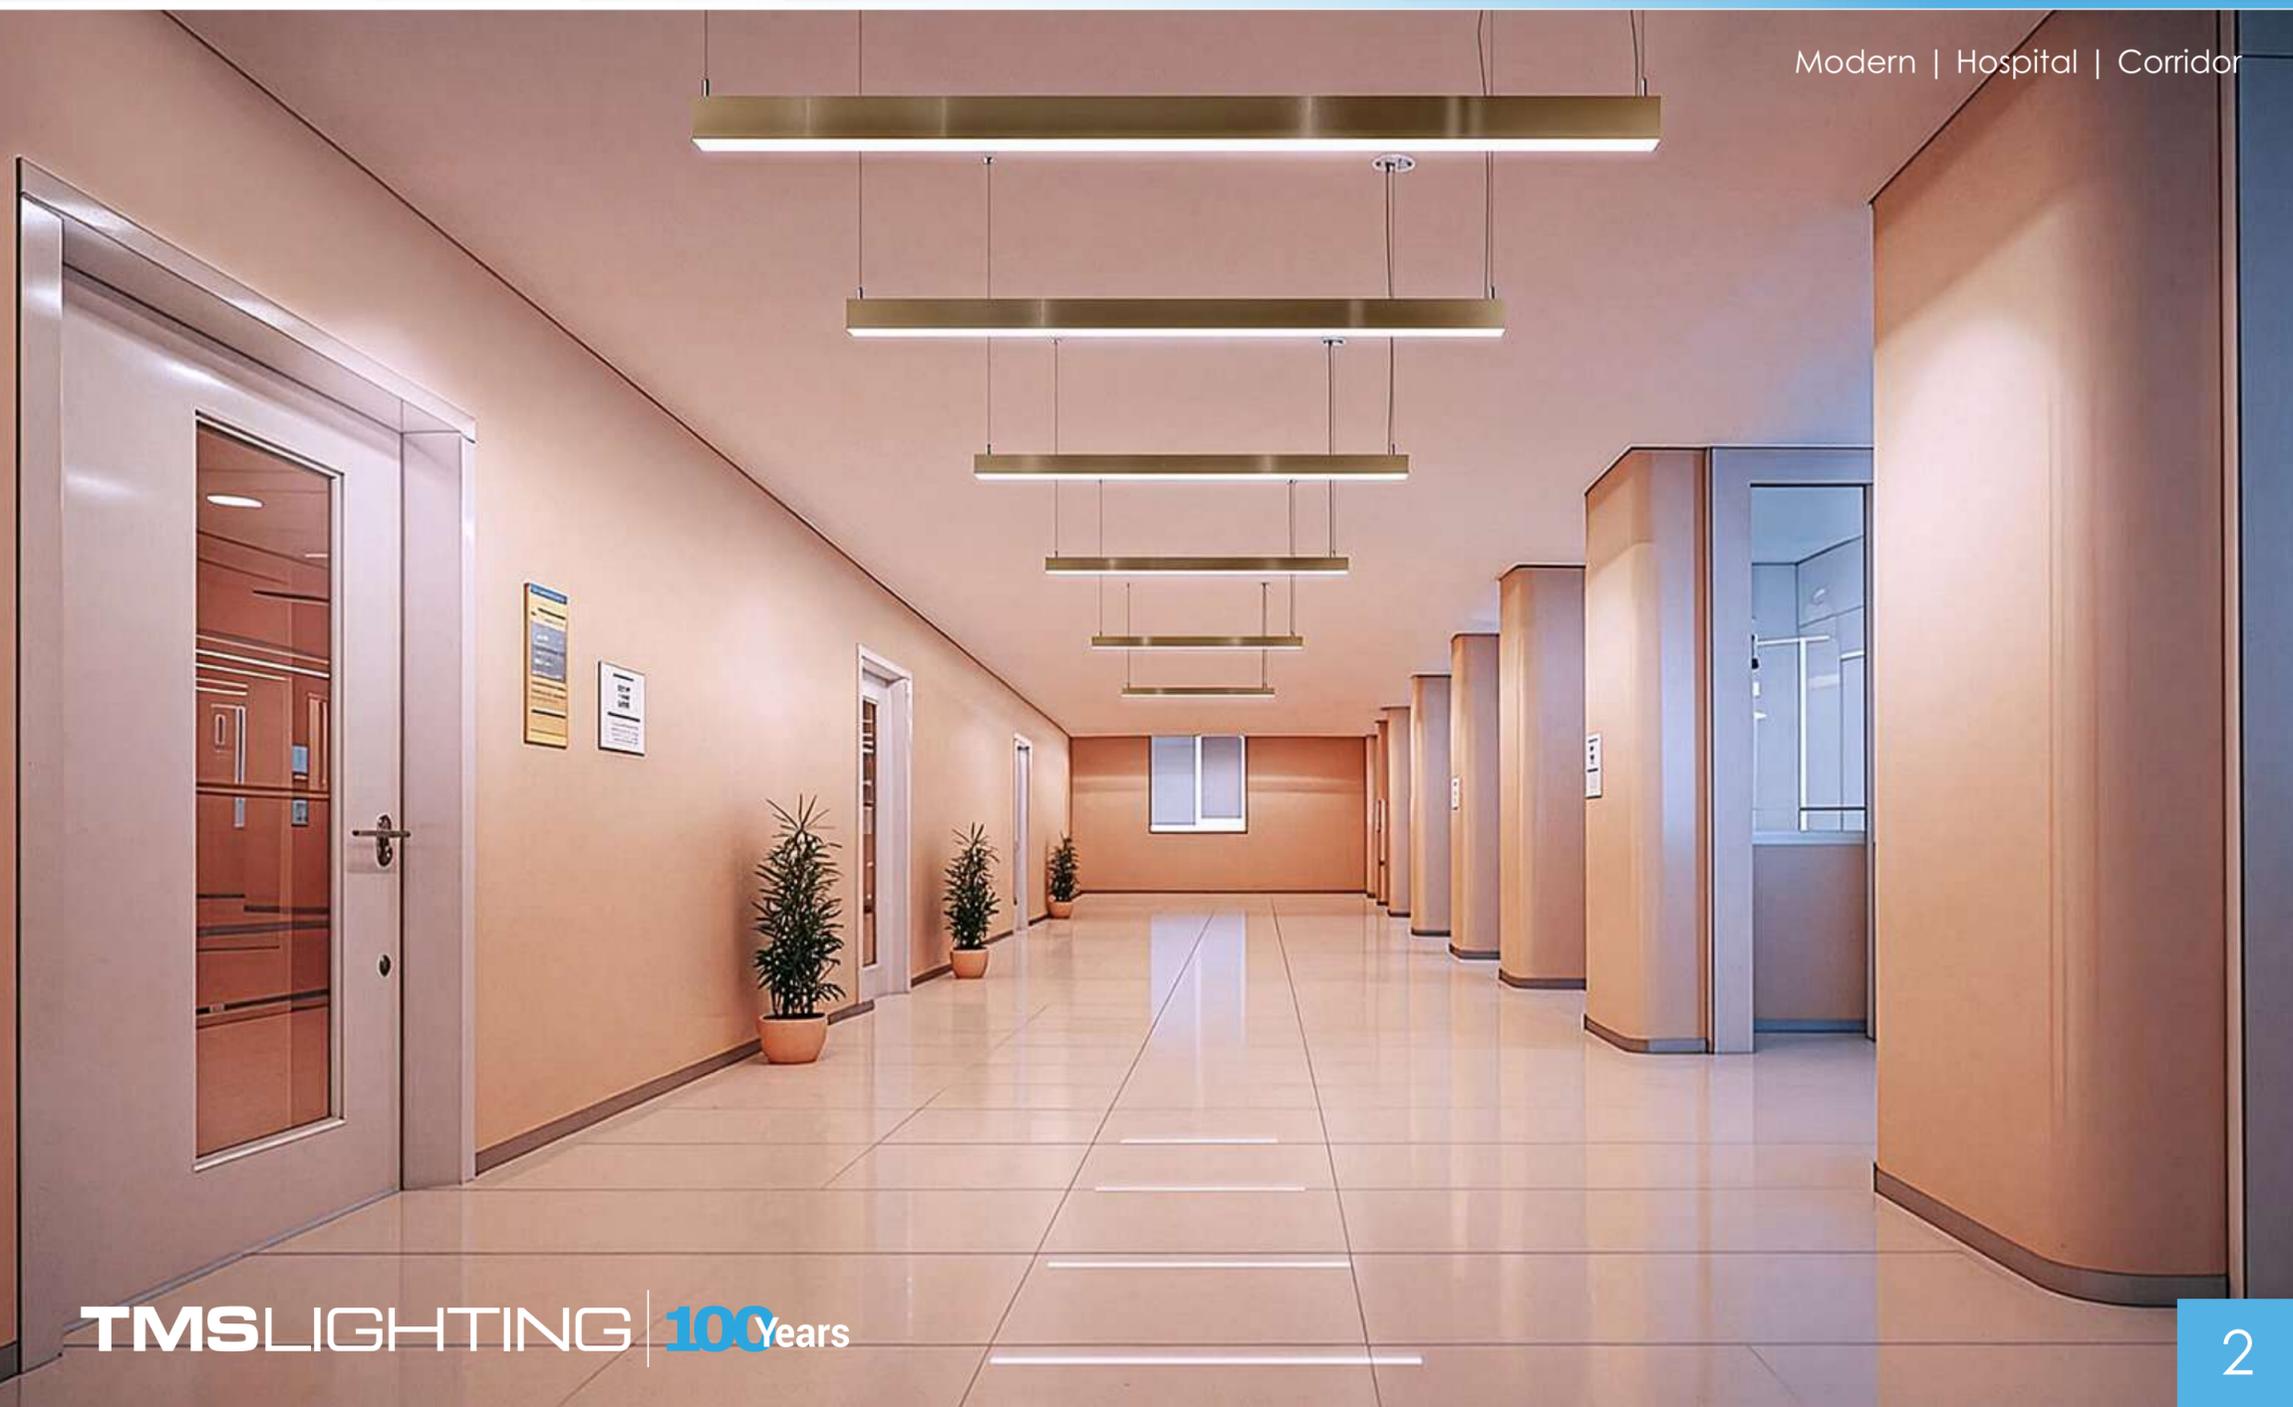

The **FLUX™ Direct Indirect** linear is a sign of our dedication to exceptional lighting for even the most modern and minimalist aesthetics. This amazing linear luminaire integrates perfectly into today's modern environment and effectively brings illumination and ambiance in a satisfying and complete manner.

The **FLUX™ Direct Indirect** is one of our simplest offerings that both meets and exceeds expectations! Some key features are as follows:

- This simplistic, stylish linear makes a great addition to every and any modern environment that it is used in--an absolute guarantee for immediate improvement in class, ambiance, and radiance!
- Ranging from 24" in length a considerable 144", **FLUX™ Direct Indirect** provides an array of options that allows for you to cover any space perfectly.
- At 110 lumens per watt, 2770 lumen per foot, and an integrated energy saving LED Driver, the value proposition is undeniable.

The **FLUX™ Direct Indirect** is the answer you are looking for reliable, steadfast, consistent lighting perfection.

Modern | Hospital | Corridor

"Creativity and linear lighting is something that goes hand-in-hand with the installation of the **FLUX™ Direct Indirect.**"
