Ceiling LIGHTING

The DISCO™ Ceiling Light

The DISCO™ ceiling fixture is a high-quality, RLM luminaire that has made a distinct niche in ceiling lighting solutions. A perfect 24" diameter along with direct lighting dispersion has made this luminaire a flawless addition to interior spaces looking for a sleek, circular dynamo that upgrades the look and feel of even the classiest of modern interiors.

The DISCO™ ceiling luminaire is versatile and lends itself well to laid back spaces as well as dynamic, new modern interiors. Key features of the DISCO™ are:

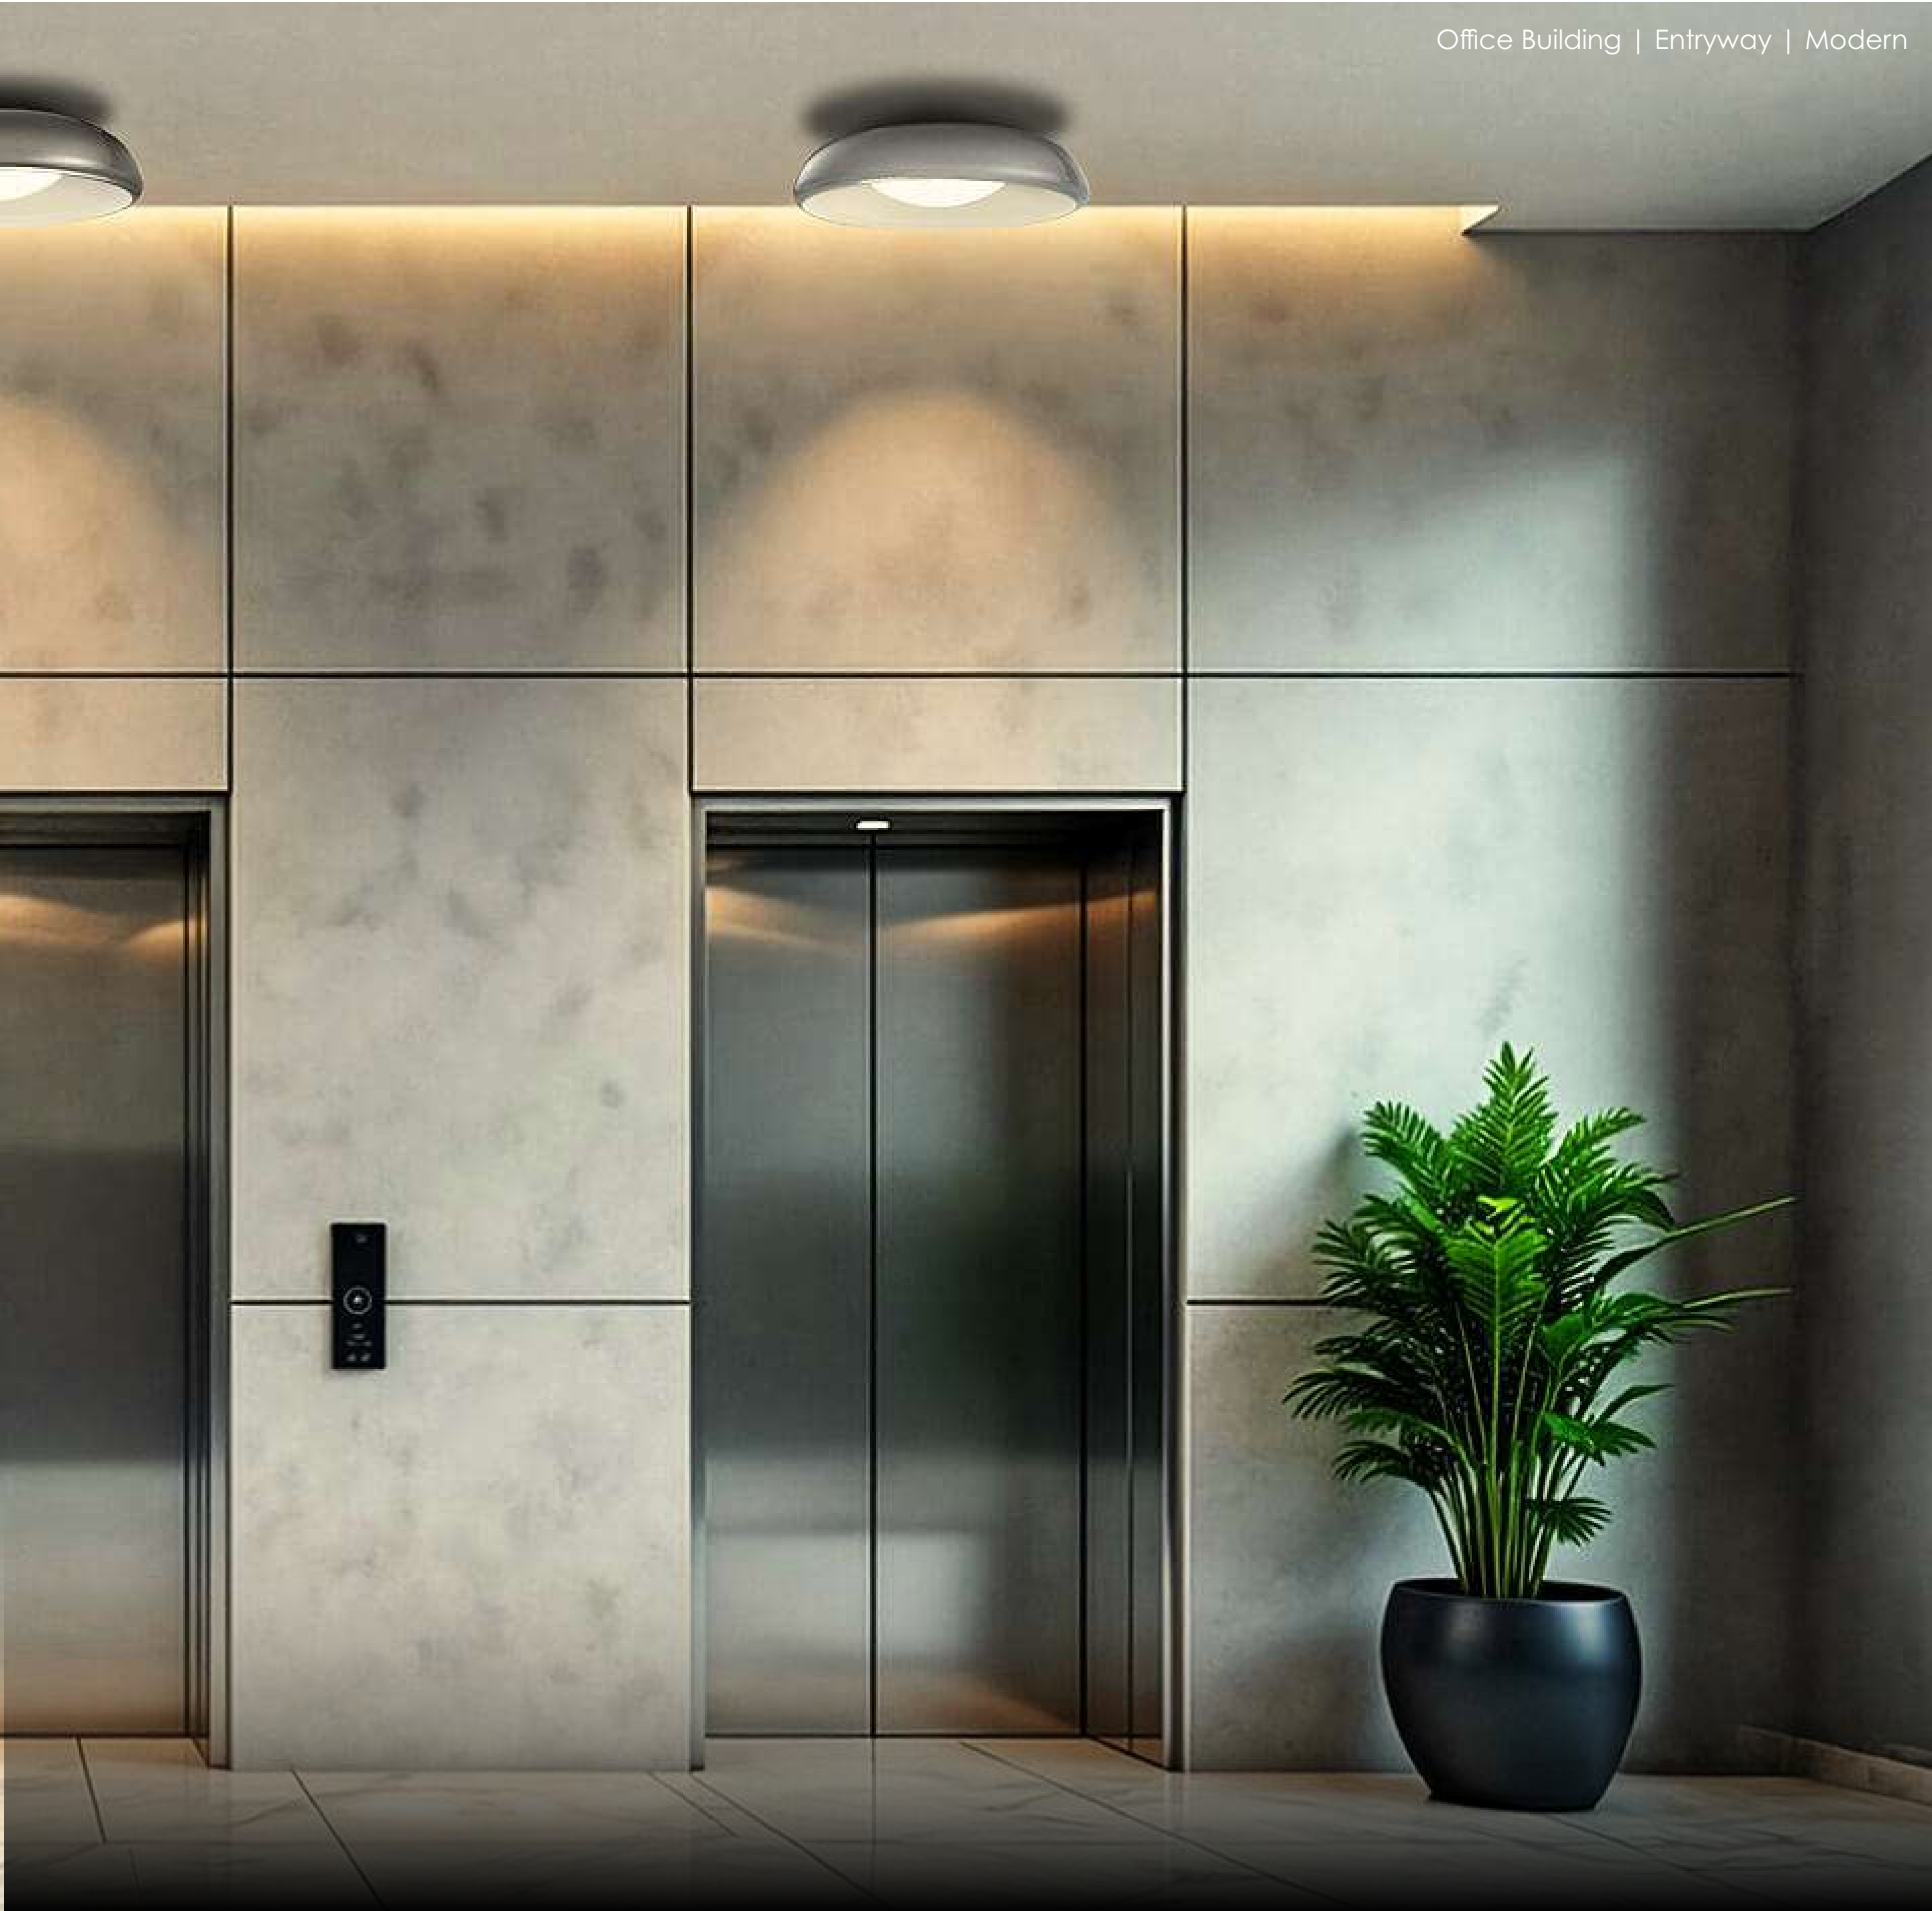

- The DISCO™ perfects simplicity and places it flush to the ceiling of your interiors to provide the perfect radiance with up to 2,657 worth of lumens.
- The variety of premium finishes that have been added to this wonderful ceiling light have made the demand skyrocket as many specifiers are loving the ability to offer a fixture such as this that matches interior design motifs with ease.
- The DISCO™ was designed to work in both classically designed settings as well as being chic enough to handle the modern avant garde design trends. To say that this is amongst some of the very best ceiling light fixtures in the industry today is evident!

Administrative Office | Modern | Lobby

"The DISCO™ is impactful yet subtle, making a dramatic, immediate improvement to your space without pulling away from the look and feel of an already established interior."
