Massive ILLUMINATION

The TURM 2™ Luminaire

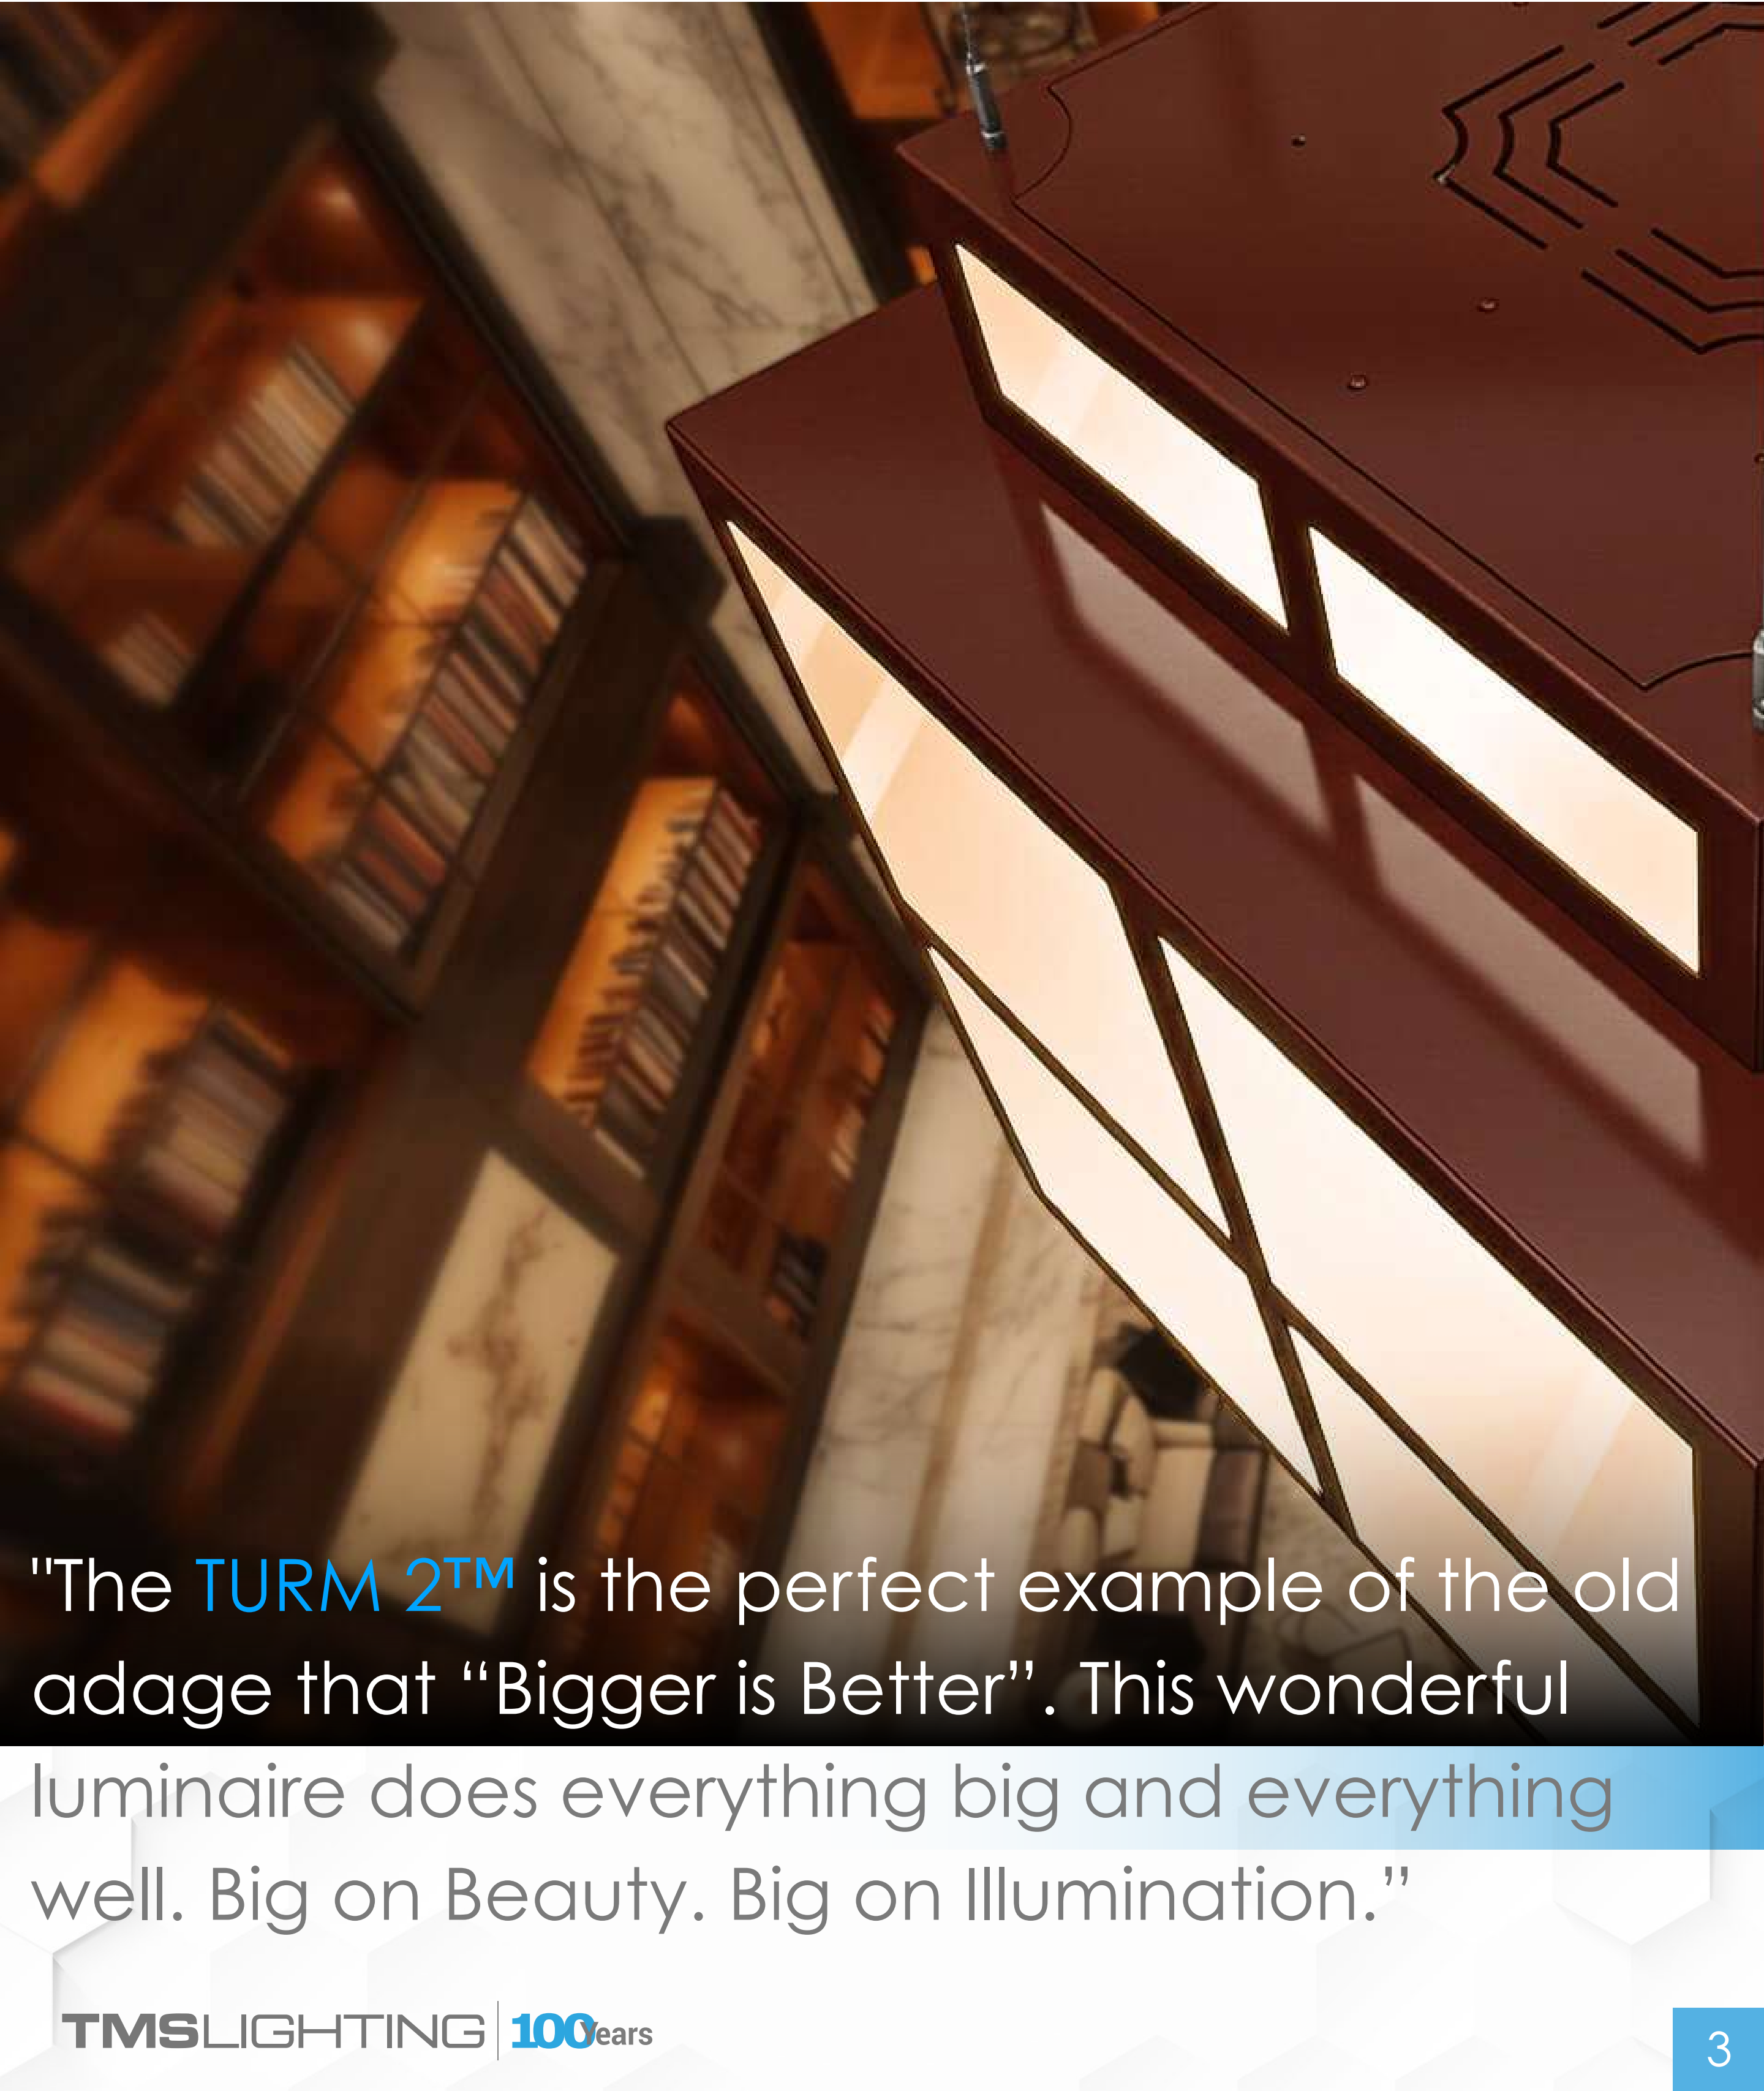

The **TURM 2™** is proof of our dedication to big luminaires that are made to be the “icing on the cake” for big and expansive interiors that need an equally ambitious fixture to illuminate the biggest and best of large-scale interiors. The reputation of the **TURM 2™** luminaire is one of exemplary radiance, power, and immaculate engineering made to light your world.

The **TURM 2™** remains at the top of the industry in the discussion for large-scale, beautiful radiance! Some key features of the **TURM 2™** luminaire are:

- **SIZE.** Plain and simple, the **TURM 2™** is a big presence made specifically to answer the call for massive interior spaces that need a beautiful, prominent fixture to address their lighting needs.
- The beauty of this large-scale fixture cannot be understated--the **TURM 2™** luminaire is absolutely stunning in its 35.5" x 35.5" x 50" frame! Nothing says impactful and dramatic quite like this stunning fixture elevated within your interior spaces.
- The **TURM 2™** carries an array of different premium finishes that allow for this fixture to effortlessly integrate into any location as if it always belonged there. This fixture embodies what it means to be big and beautiful in massive places.

Private Library | Great Room | Classic

"The **TURM 2™** is the perfect example of the old adage that "Bigger is Better". This wonderful luminaire does everything big and everything well. Big on Beauty. Big on Illumination."
