

FLUX | Linear Pendant

# The FLUX™ Linear Pendant Light

The **FLUX™ DIRECT** linear pendant light is the working world's foremost answer to consistent, reliable lighting. No longer is there any question as to what is a tried, tested, and truly reliable fixture for your lighting needs in the office and any other corporate working environment. The **FLUX™** is yet another great offering for the professional world from TMS Lighting.

The **FLUX™** gets straight to the point in terms of bringing you reliable, consistent, perfect illumination for the workspace. Key features are as follows:

- The FLUX™ is designed for one task only--to keep your workspace lit perfectly for you to get the important work that you have to do done. And does the FLUX™ do that? Definitely.
- Daylight AND occupancy sensors that ensure energy efficiency targets are met if not kept well under budget--a major concern that we kept in mind when producing this fixture for your needs.
- Various sizing options and customization in regard to the upgrade in premium finishing ensures that this fixture integrates into a variety of varying office spaces seamlessly.

Modern | Minimalist | Open Concept Office

"A linear pendant such as the FLUX™ DIRECT has truly distinguished itself as one of the best and most reliable choices imaginable for lighting your workspace."
