

# *Reliable* LIGHTING

## The MAYA™ Pendant Light

The MAYA™ pendant is one the most reliable and consistently used fixtures that works remarkably well in environments that are in need of illumination that sets the tone, the vibe, as well a upgrade in radiance, class, and aesthetic. The MAYA™ consistently comes up in conversation amongst lighting professionals as the fixture that is an all-around exceptional choice.

The **MAYA™** works toward bringing luminance, style, and reliability to your location effortlessly. Some key features of this fixture are as follows:

- The **MAYA™** isn't something to be looked at as just 'trendy'. It's a hallmark of great design and consistent, energy efficient lighting--A great go-to for lighting places such as lounges, bars, and modern restaurants.
- This pendant works in both indoor and outdoor settings. Drop cord options along with stem mounting options and a variety of globe/lens customization have made this fixture an irresistible choice for lighting professionals.
- As a great addition to both interior and exterior spaces, the **MAYA™** offers a great variety of options for customization across mounting, finishes, globe/lenses, sizes, and voltage making this one of our most trusted fixtures for professionals to use in their projects both big and small!

Condominium | Modern | Kitchen Island

"The **MAYA™** is a pleasantly surprising pendant that can't stop being a phenomenal choice for illuminating a variety of indoor/outdoor spaces."
