

Elevated RADIANCE

The FORTE WALL™ Luminaire

The **FORTE WALL™** luminaire brings elegance, beauty, as well as luminance to both indoor and outdoor spaces. The perfect balance of design and exceptional, wall-mounted radiance makes this a top choice for lighting designers looking to bring a fabulous and stylish way in which to light spaces such as patios, storefront entryways, and large shopping centers.

The **FORTE WALL™** embodies sleek form, style, and exceptional lighting prowess in one complete package! Some key features of the **FORTE WALL™** are:

- The **FORTE WALL™** looks the part--exquisite curves and a premium, polished finish makes this fixture stand out. It's simple, stylish approach to its design make it an even more desirable fixture as an outdoor lighting solution.
- At a 16" diameter, the **FORTE WALL™** is designed to perfectly make an impact on both interior and exterior environment immediately. This luminaire becomes a very important part of elevating look, feel, and personality to every location.
- The **FORTE WALL™** has often been called the "missing link" for projects that needed to include a lighting solution that maximized beauty and style alongside radiance and ambiance.

Coffee Cafe | Sante Monica | Entryway

"The **FORTE WALL™** is how you create a lighting solution that understands how to beautify a location with its presence as well as with light."
