

SERENITY EZRA | Pendant

Customized LUMINANCE

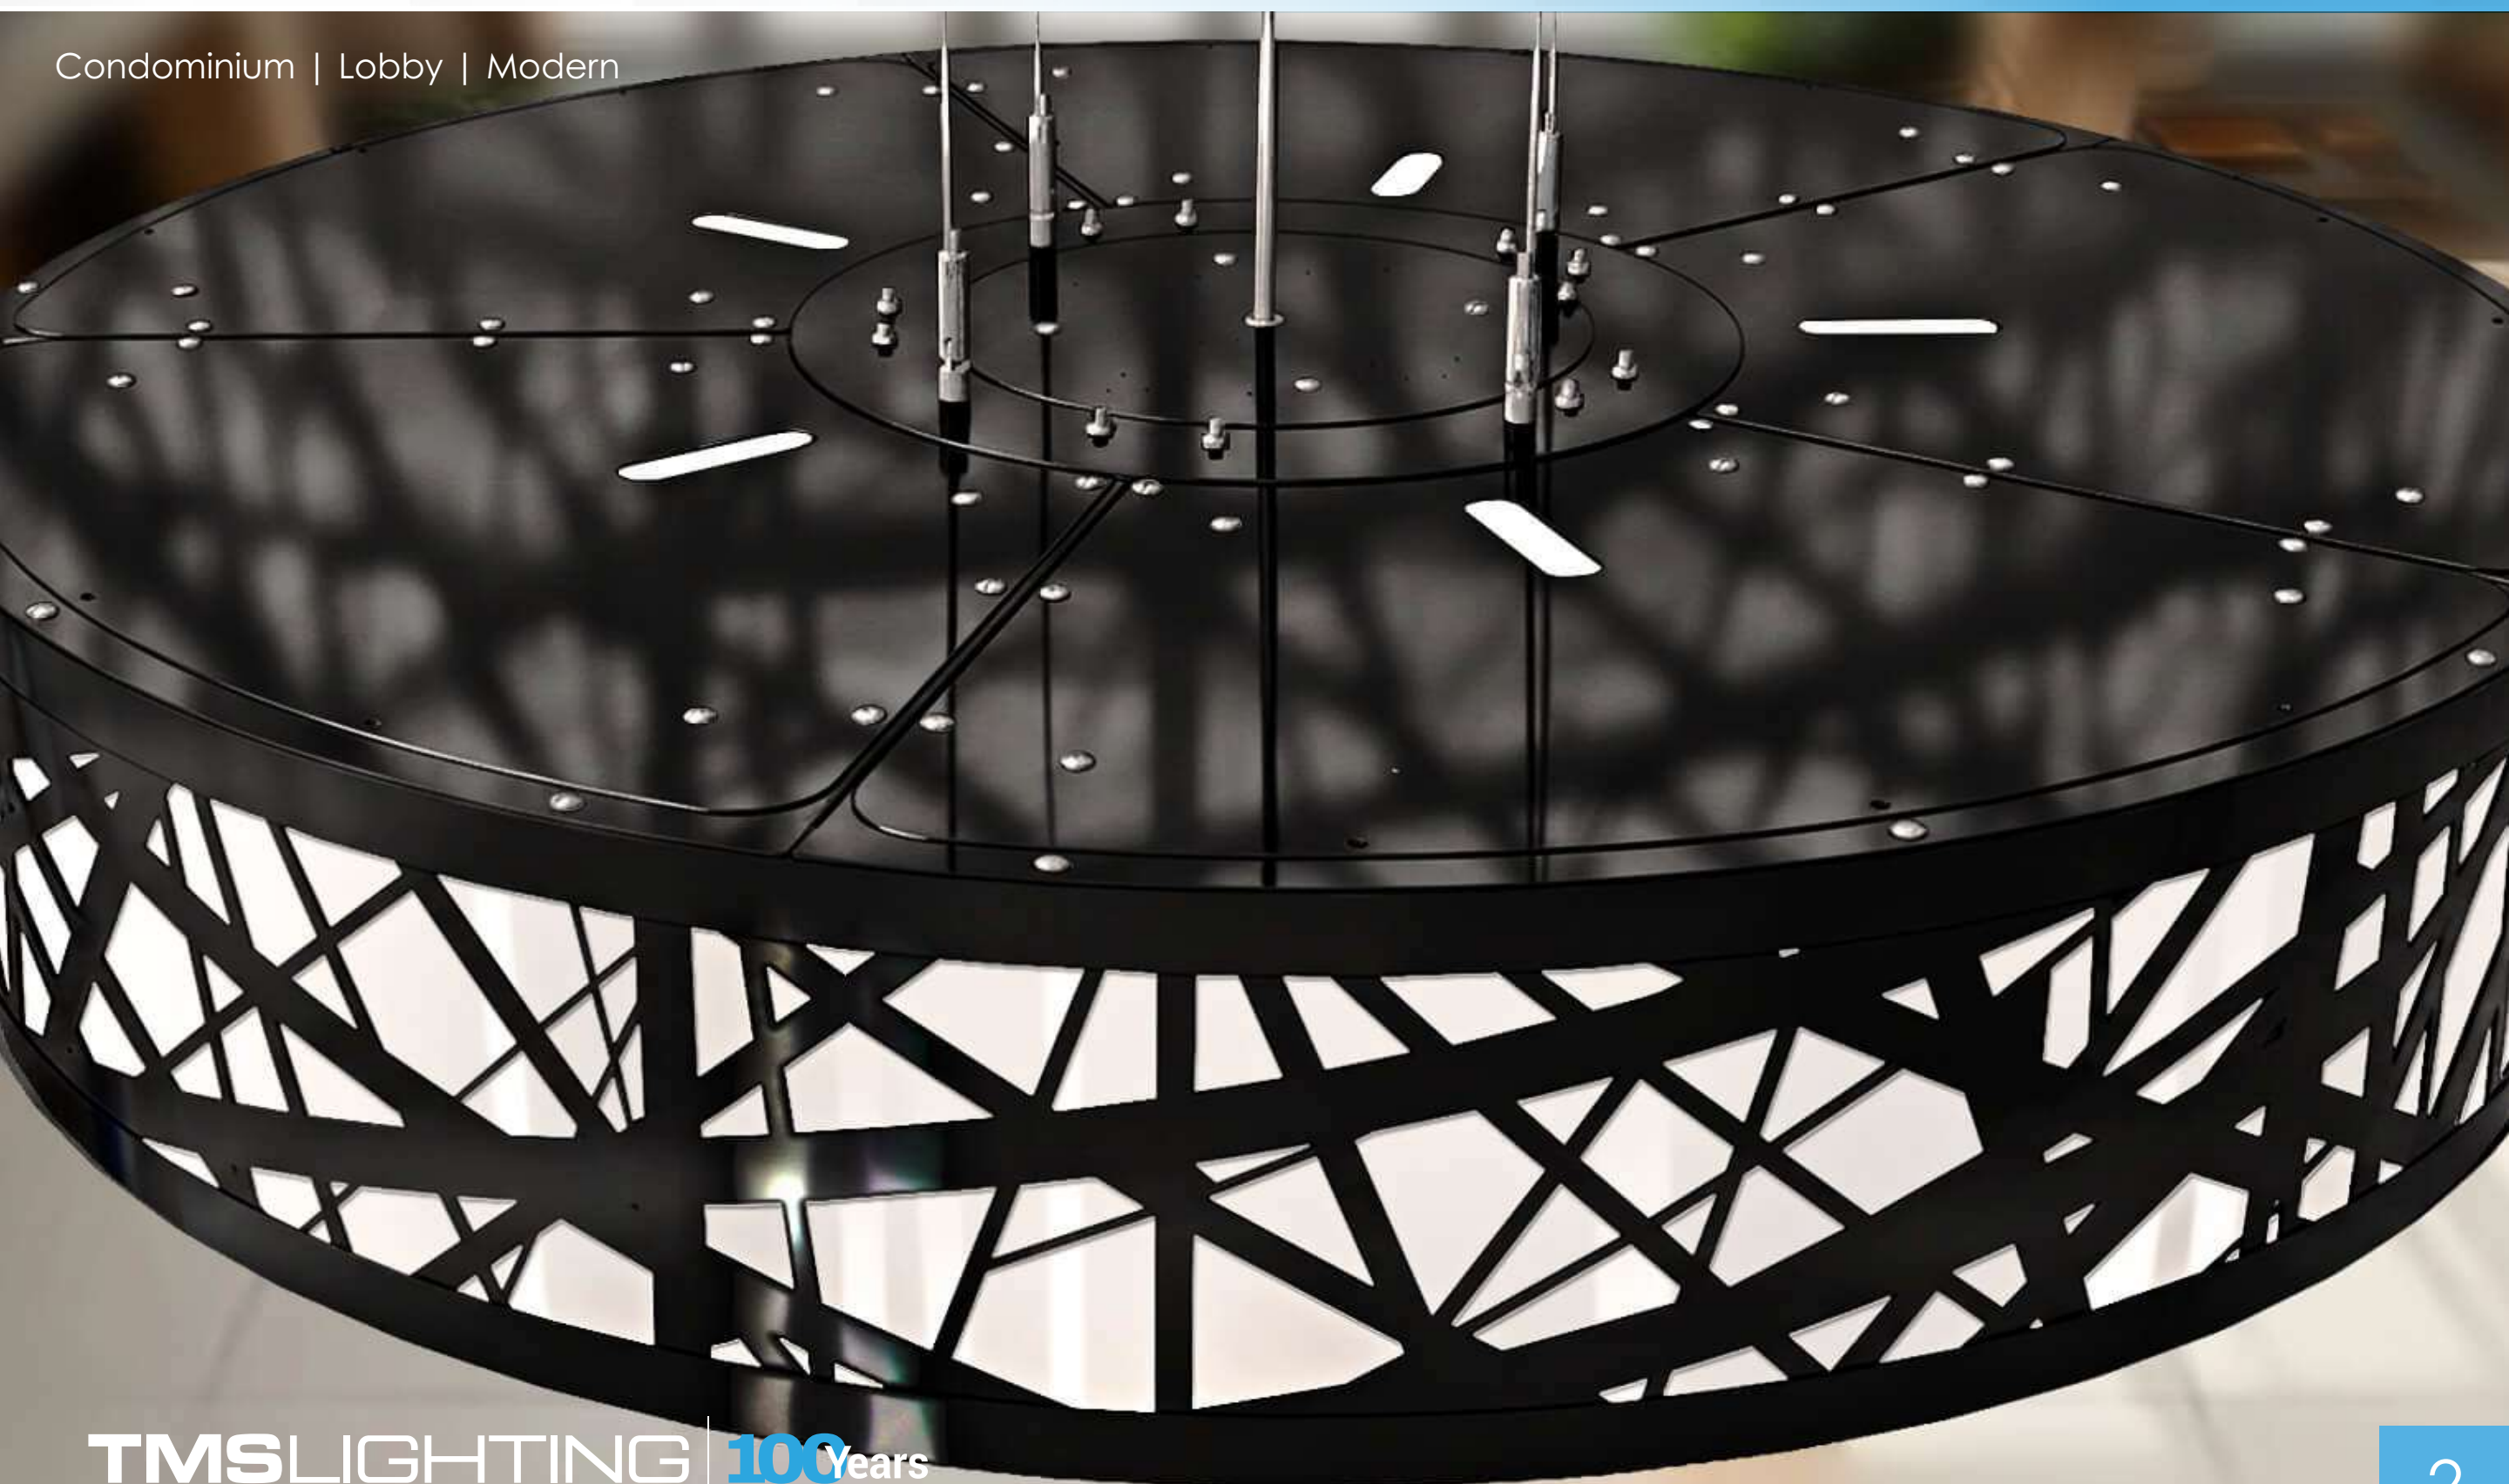

The SERENITY EZRA™ Pendant

The **SERENITY EZRA™** brings you both radiance, beauty, style, and a great opportunity to showcase your creativity with the ability to customize the patterning of your fixture. Working with our seasoned team of professionals allows you to be part of the process of creating a wonderful, illuminated work of art that is uniquely yours and manufactured by the best!

The **SERENITY EZRA™** is a stunning pendant light that brings class and a distinctive flavour to your space. Key features of the **SERENITY EZRA™** are:

- From sizing options that range from 24", 36", and 48" in diameter, the **SERENITY EZRA™** is ready to be used in an array of different interior lighting scenarios.
- The **SERENITY EZRA™** allows for customization and that has become a huge proponent of what has kept this fixture relevant and constantly requested by those looking to add a unique flare to the lighting experience.
- Premium finishes has allowed for an even greater appreciation of the **SERENITY EZRA™** as your custom patterned fixture will look amazing in your choice of glossy black, antique copper, satin nickel, and polished brass just to name a few. A premium, powder coated has never looked quite this good!

Condominium | Lobby | Modern

"The **SERENITY EZRA™** is a wonderful addition to your interior lighting that brings a flavour unique to your vision along with splendid radiance that brings out the very best in your lighting design."
