

ORBITA O | Pendant

Exceptional RADIANCE

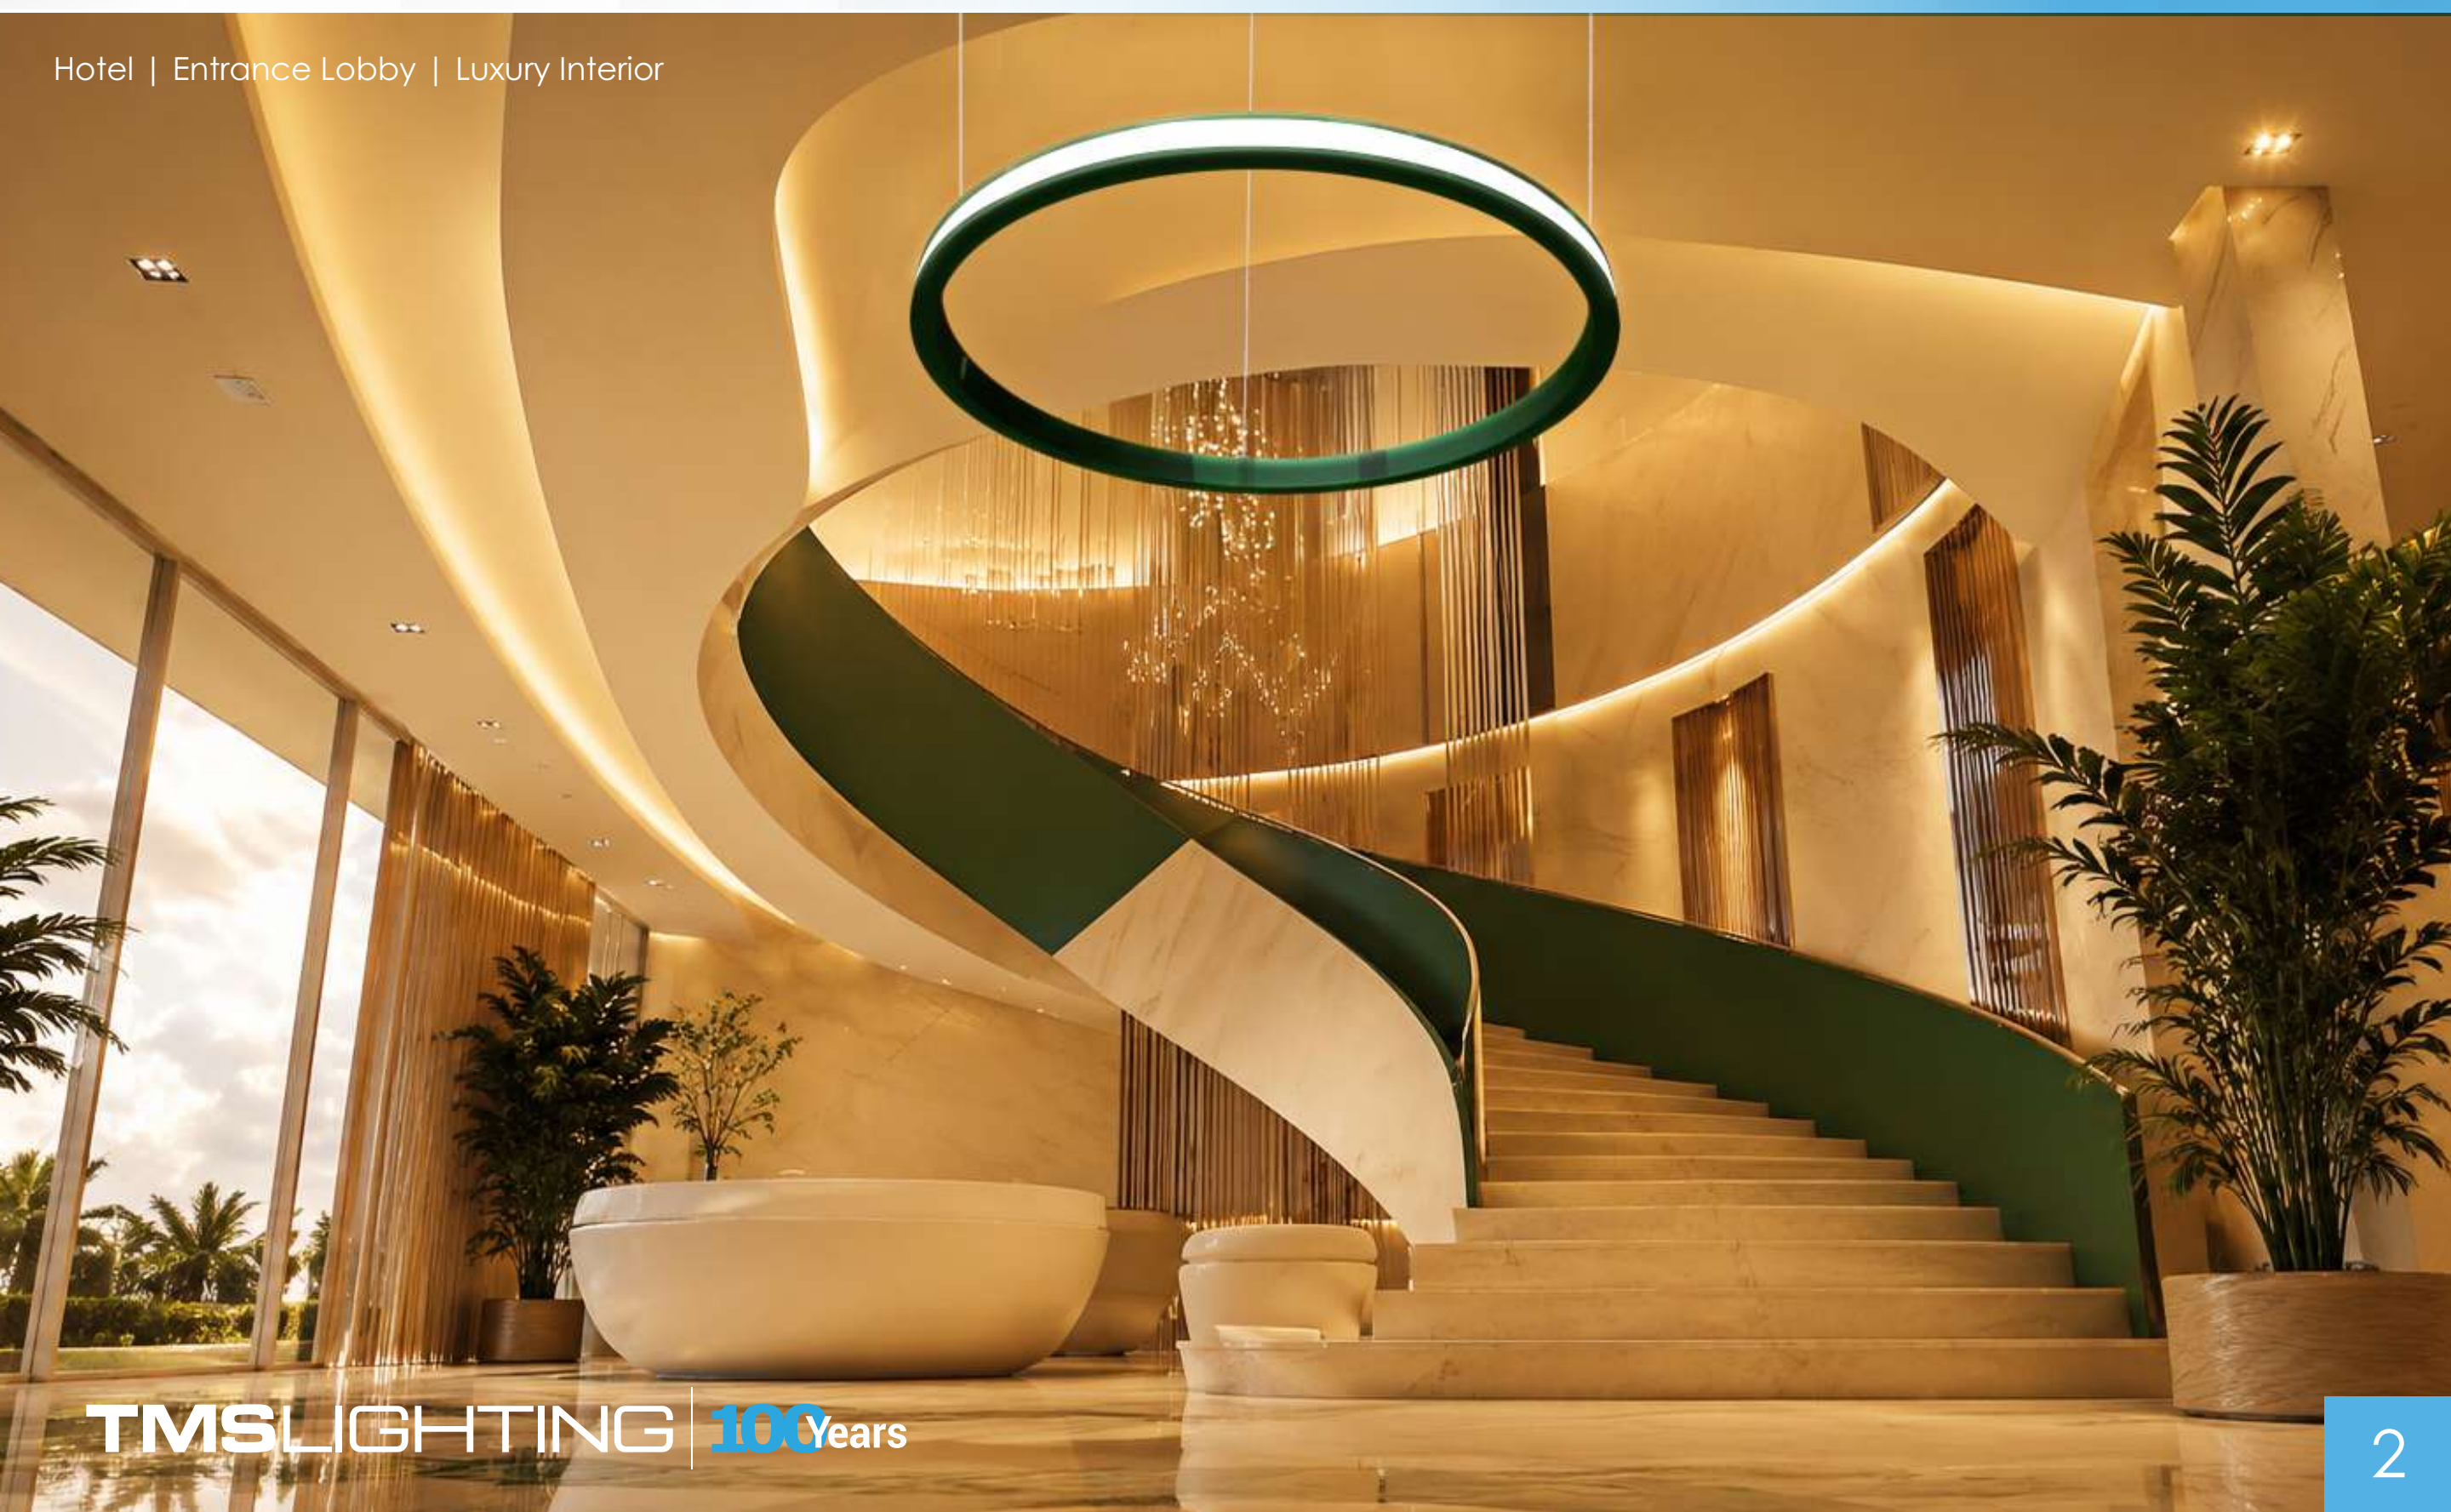

The ORBITA O™ Luminaire

Bringing luxury and opulence into your space with a fixture such as the **ORBITA O™** is a step in the direction towards making your space a central focal point of attraction and captivation. The **ORBITA O™** both illuminates spaces and defines environments with its beautiful radiance and equally beautiful build. The **ORBITA O™** is the epitome of elite pendant lighting.

The **ORBITA O™** is a status symbol encapsulated in the form of this sleek, circular, well crafted fixture. Some key features of the **ORBITA O™** pendant light are:

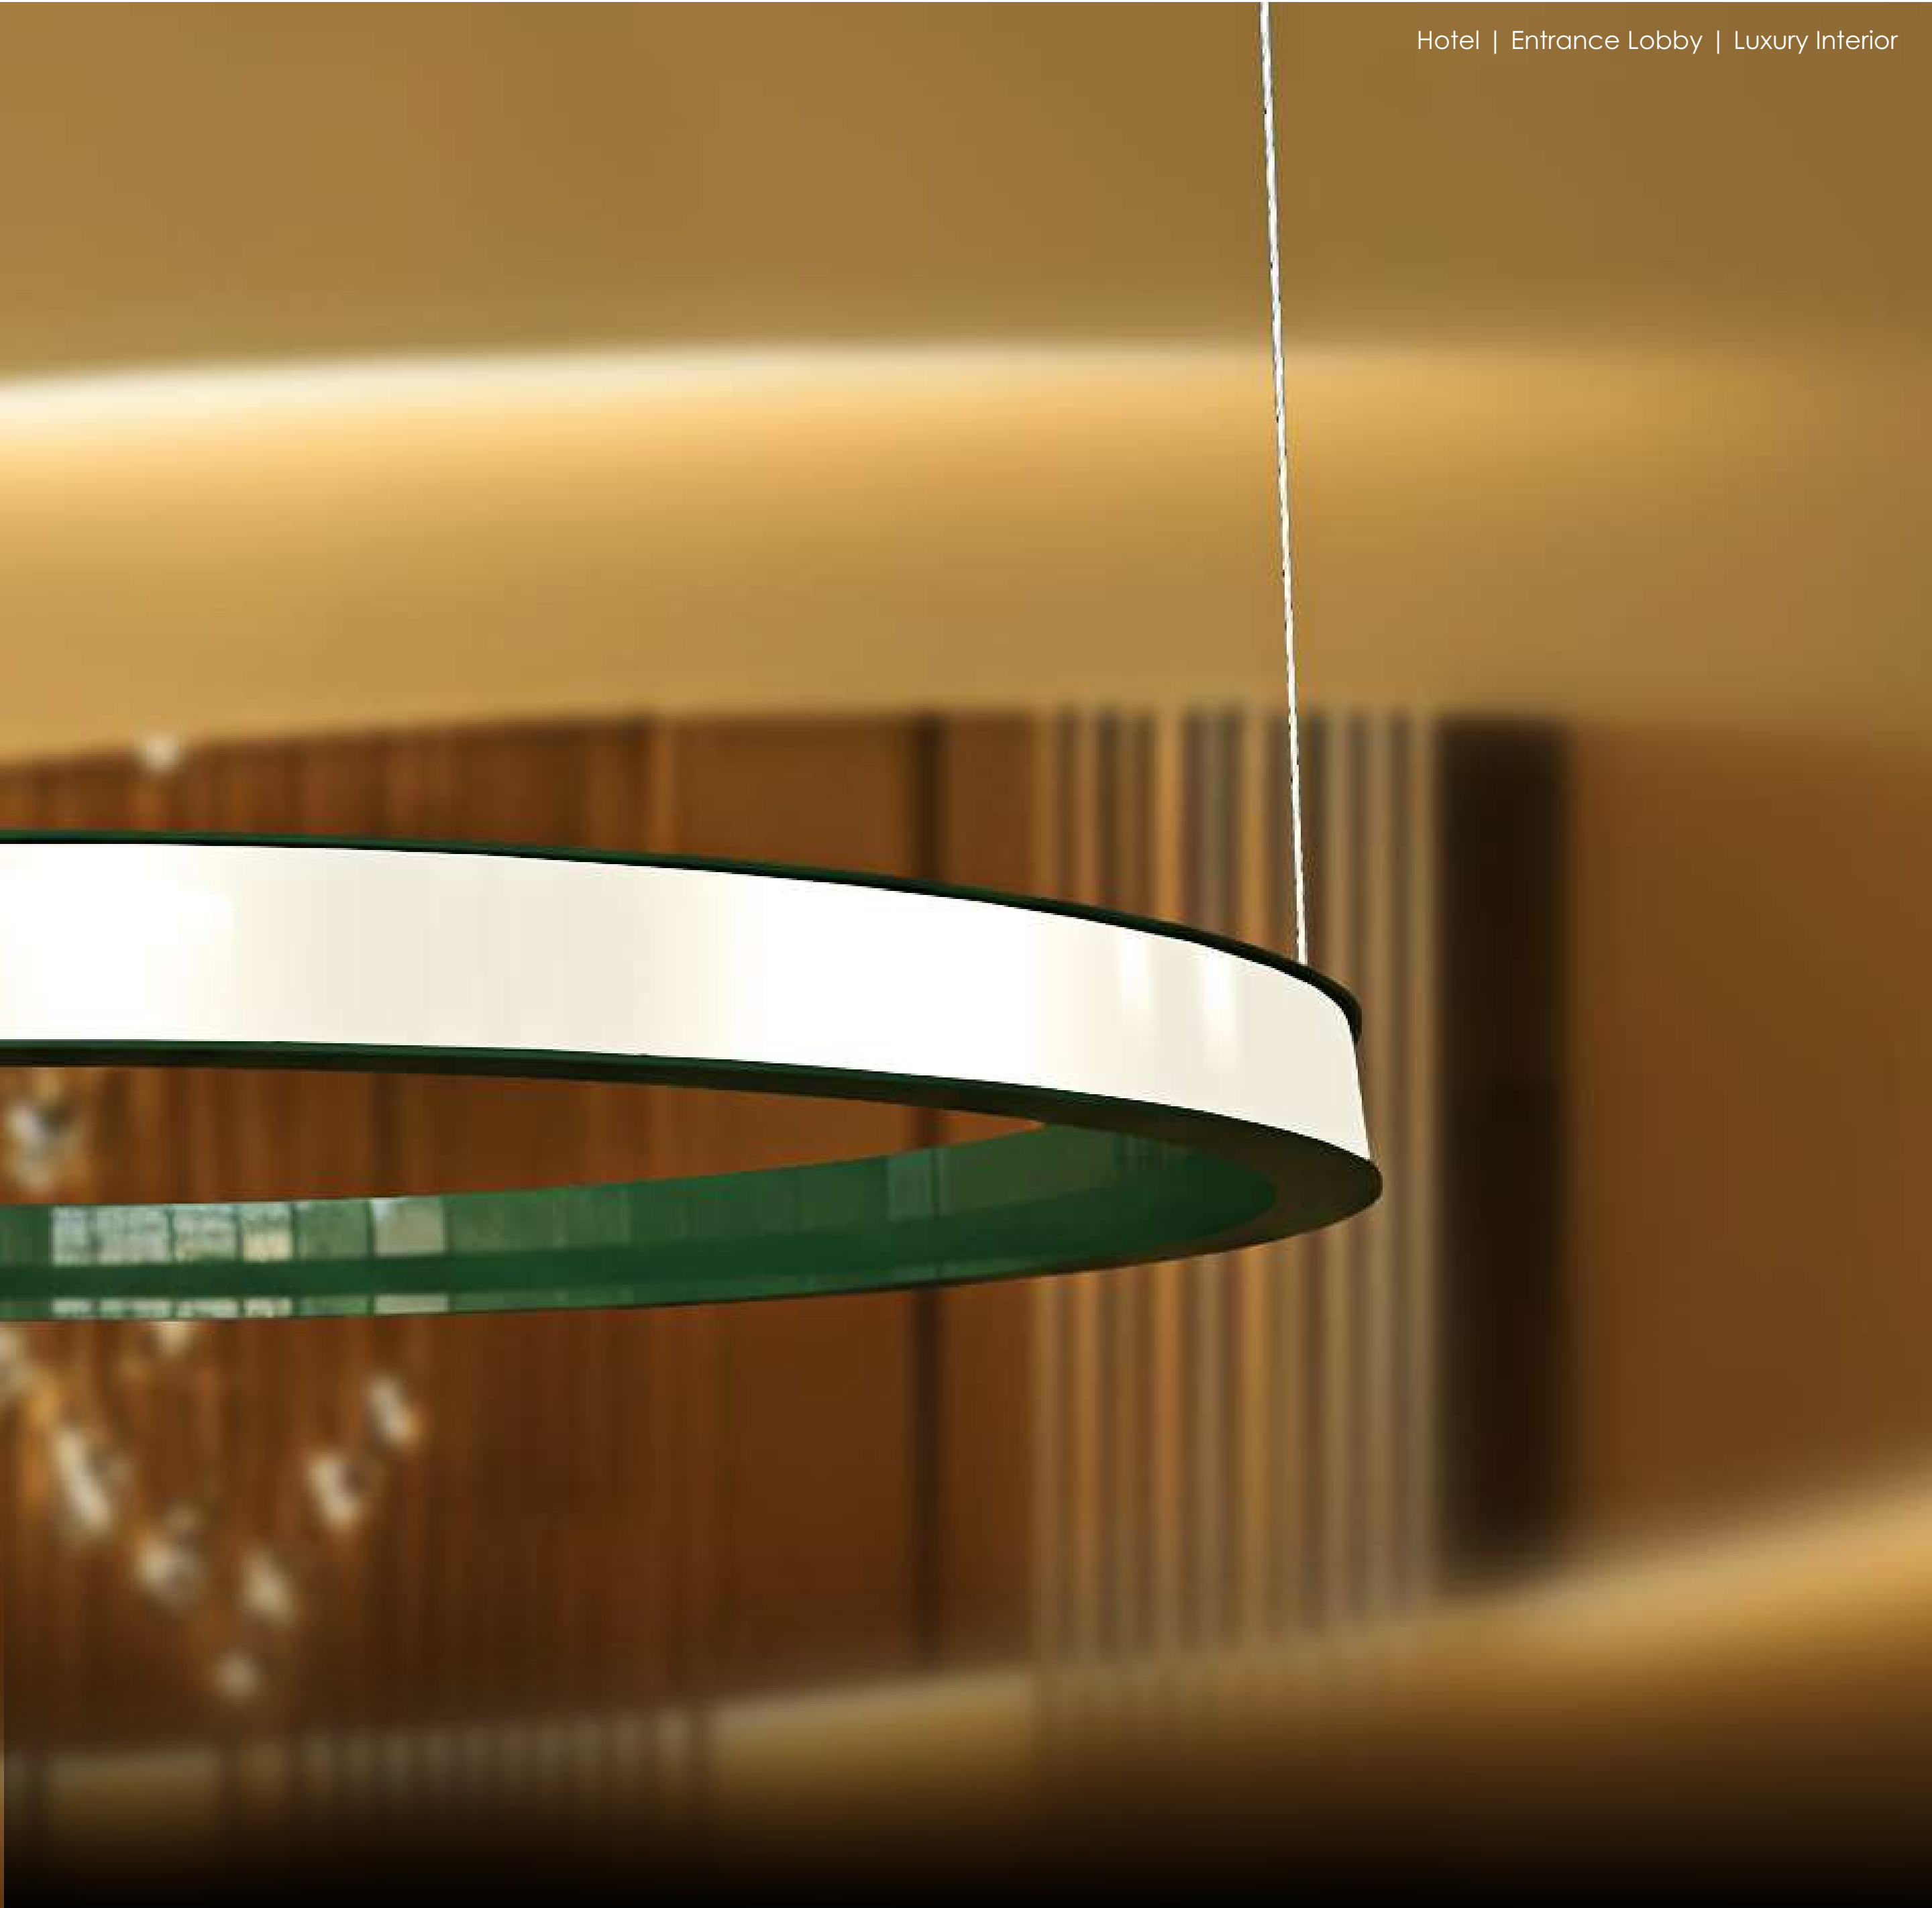

- The **ORBITA O™** is an evolution in interior lighting capabilities and ambiance. A beautiful build, an industry best lumen output efficiency, and a wide of array of sizes ranging from 36" to 84" in diameter makes this an absolute must-have lighting solution.
- Energy efficiency has ALWAYS been a hallmark of this large fixture and being in the discussion for being optimized for being among the best in the industry for lumen output to energy usage has placed this in high demand.
- The **ORBITA O™** has a proven track record for instantaneously changing the perception of interiors on top of creating an illuminated atmosphere that is dramatically better and well-received.

Hotel | Entrance Lobby | Luxury Interior

"The ORBITA O™ is what an elite-level lighting experience looks and feel like when designed with the recipient in mind first and foremost."
