Stylish CEILING LIGHT

The FLUX™ Ceiling Light

With the **FLUX™** ceiling light, you've made a decision for a dependable fixture that is guaranteed to illuminate your space reliably. The **FLUX™** is a decision in the right direction that you won't regret as it is one of our most trusted ceiling lights and is especially a mainstay of the North American office space. The **FLUX™** is a benchmark for corporate lighting.

The **FLUX™** is a ceiling fixture that remains one of our more popular offerings based off of sheer reliability and consistency. Key features are as follows:

- The **FLUX™** is now a staple of the modern North American office and you can't go wrong with this ceiling fixture and its trusted reputation for lighting the modern working world due to its consistency in providing perfect lighting.
- Offered in a variety of top-quality finishes and provided in a wide-array of different sizes, no wonder the **FLUX™** is trusted to power the lighting and ambiance of some of today's tallest office buildings and professional settings.
- Energy efficiency is always top-of-mind and no room for error was left as we ensure that this fixture is compliant with the best sustainability ratings and comes equipped with daylight and occupancy sensors to ensure that no unnecessary energy goes to waste.

Penthouse Condominium | Luxury | Modern Interior
