## The EVA™ Pendant Light

The **EVA™** is an essential lighting upgrade to those looking to creatively illuminate their environment with a unique fixture that is both modern and stylish. The **EVA™** is among the most distinctive fixtures in the lighting world and pleasantly so -- it immediately creates a modern aesthetic 'face lift' with its amazing design and exceptional lighting capabilities!

The **EVA™** is fixture that carries with it a style and character all its own that brings modern vibes and great illumination! Some key features are as follows:

- The **EVA™** is quite plainly put unique. It's design brings an immediate jump in modernity. There is no fixture that brings to mind current aesthetic stylings and then successfully merges that with the future quite like this pendant.
- The **EVA™** delivers great diffused lighting that works surprisingly well in a variety of environments from fine dining restaurants to upscale modern offices, to even airport check-in areas. Versatility is a prerequisite for the **EVA™**.

The **EVA™** is a substantial change in the right direction for lighting your location! One thing for certain is that the **EVA™** is a dynamic addition to modern environments that need a creative way to engage a modern-futurist design motif with their lighting needs while still keeping with current sensibilities.
