Interior LIGHTING

The TAZA™ Ceiling Light

The TAZA™ ceiling light keeps things simple--a great design, great lumen output, amazing light dispersion, and perfect sizing. The combination of all these elements working in perfect unison make the TAZA™ ceiling light a perfect choice for interior lighting solutions that need class, style, a strong sense of luxury and flawless ambiance.

The **TAZA™** is one of the industries favorite ceiling lights due to its classic, yet also modern look with great lighting. Some key features of the **TAZA™** are:

- The **TAZA™** comes at the perfect diameter sizing of 24". This works great as an individual lighting fixture and also in a collection making lighting interior spaces an absolute pleasure.
- The **TAZA™** carries with it a reputation for a subtle, reserved beauty that is made all the more apparent with our wide range of both standard and premium finishes that accentuate the sleek curves of this beautiful fixture.
- The **TAZA™** is great in regard to energy efficiency as well as emergency compliant with its remote setting. This lighting solution is the complete package for projects requiring stellar interior ceiling lighting.

Retirement Home | Modern | Entryway

"The **TAZA™** is interior ceiling lighting in top form. It never detracts from its environments visual style while illuminating the space stunningly."
