

FIBONACCI W | Wall Luminaire

Simple made **ICONIC**

The FIBONACCI W™ Wall Luminaire

The **Fibonacci W™** lighting fixture is primarily constructed of extruded and cast aluminum. It features a high efficiency acrylic diffuser. The fixture is available in various powder coated finishes, which are applied to the aluminum body. Custom RAL finishes are also available as options.

The **Fibonacci-W™** pendant combines nature's golden ratio with cutting-edge wall lighting design. Its key design elements include:

- Versatility for use in modern office hallways or avant-garde living areas.
- Wall-mounted design, offering a unique take on the Fibonacci-inspired lighting concept compared to chandelier versions.
- LED lighting technology for energy efficiency and modern illumination.

The **Fibonacci-W™** pendant stands out as a statement piece that merges mathematical precision with artistic lighting design, suitable for contemporary interiors seeking a touch of natural elegance.

Upscale | Hotel

"In the spiral of light, the Fibonacci W™ illuminates not just spaces, but the very essence of nature's design."
