Stellar BRILLIANCE

The LUNA™ Pendant Light

The LUNA™ pendant light is the harmony of immaculate, simple design, radiant lighting power, and meticulous craftsmanship and attention to detail. The LUNA™ is a flagship staple of the TMS Lighting brand and rightfully so--its consistent lighting longevity, a durable, sturdy build, and a simple, yet beautiful design has maintained the LUNA™ pendant as #1!

The LUNA™ is a pound-for-pound marvel of exceptional lighting and simple, modern lighting design! Some key features are as follows:

- The LUNA™ pendant fixture comes in an impressive range of sizes! From 24" up to an incredible 144" diameter, this pendant light is perfect for any size environment!
- It's a simple ring light that radiates light exceptionally well--among the very best ring light fixtures in the industry! This fixture's popularity has soared exponentially with the addition of the popular feature of Power Over Suspension and, since being introduced, excitement hasn't let up!
- The LUNA™ comes in a wide-range of premium finishes that elevate, integrate with, and perfectly compliment any aesthetic and/or particular design motif! To say this fixture is versatile in its beautiful simplicity is an understatement!
