

The FLIRE™ DIRECT Pendant Light

Not only is the **FLIRE™ DIRECT** pendant light a perfectly sophisticated fixture for residential uses, it's a trusted fixture for some of today's most trusted environments such as clinics, hospitals, and corporate offices. It's a reliable fixture that is well-crafted and simply designed. The **FLIRE™ DIRECT** is the definition of trusted reliability for lighting.

The **FLIRE™ DIRECT** is a great pendant fixture that exemplifies functionality, consistency, and unwavering reliability. Key features are as follows:

- Chosen to light today's most necessary and important locations--the **FLIRE™ DIRECT** pendant light carries with it a reputation of trust that TMS Lighting is proud to deliver on time and time again.
- Simple, sleek, and sophisticated--the **FLIRE™ DIRECT** works in corporate settings and modern home interiors effortlessly.
- An absolute great choice for the need for a repeated, consistent bright light source (i.e.: hospital hallways, factories, and airports just to name a few).

The **FLIRE™ DIRECT** is TRUST in the form and function of a lighting fixture.

Clinic | Private Practice | Administrative Office

"The **FLIRE™ DIRECT** is the personification of top-tier quality lighting that can be fully relied upon to illuminate the most spaces in today's world."
